Penny,
We have had
great times together
and I hope to have
more. Its seems as if my
memories of our time will never
fade. I love you, Little sister. Lets
make this year a year full of great
memories. Stay as sweet + out going
as you are.

Love Chris

Penny!

I don't know where to begin! You have been one of the sweetest friends to me. We've shared some really great times together! All the fun times in L.J. will never be forgotten, and don't forget just the laughs here and there! You've always been there when I needed someone to talk to or just a shoulder to cry on! Don't forget I'm always here if you need someone to listen to your problems. I wish you all the luck in everything you do! And whatever your ambitions may be, I hope they are fulfilled! Keep up your glowing smile and may God bless you!

Love ya Always!

P.S. Lets have the best of times this year!

Yea!!! Penny Harland!

Well, it's the end of the class and the year, and the "good" and "bad" times. I'm glad we've had both. Now we can look back and remember the good times and forget the bad times. Just remember laughter, good times, good friends, and the best of luck in everything you do. Have a great summer!

Love ya,
Chad

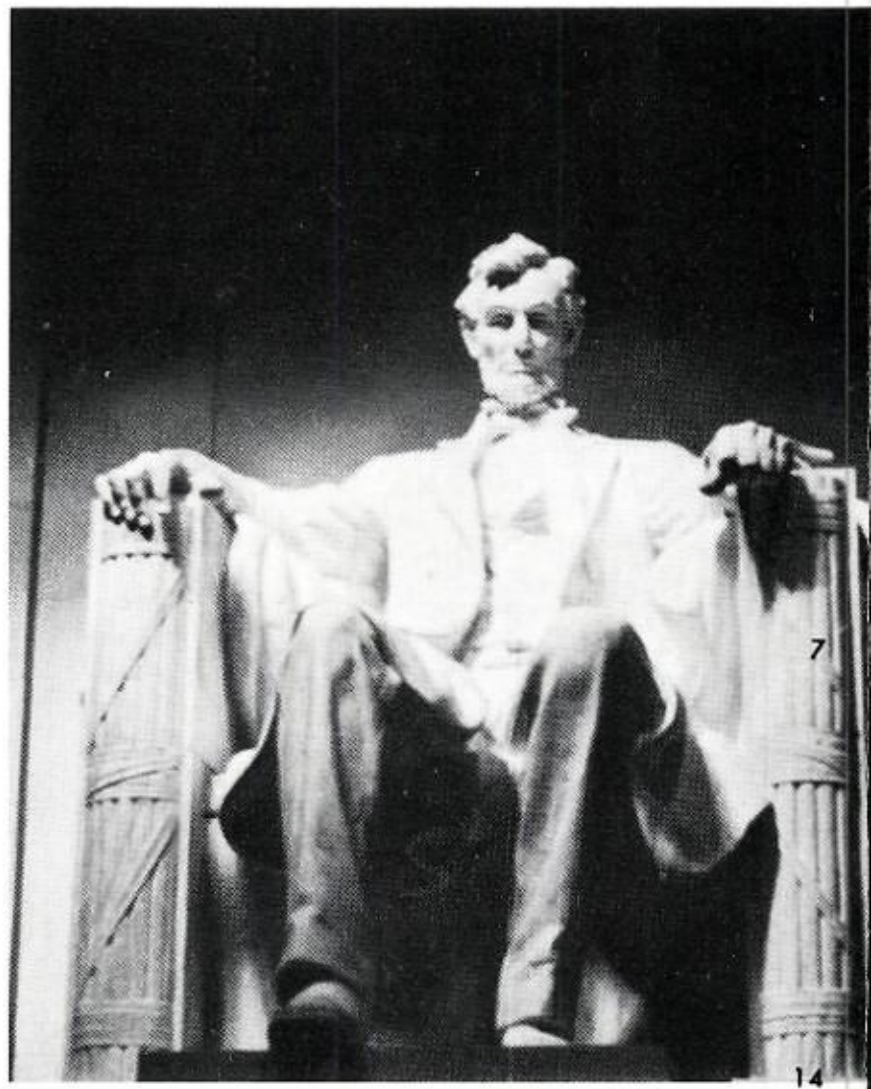
A "CLOSE-UP" LOOK AT WASHINGTON D.C.



Representative Ron Paul visits with C.H.S. students.

Each year the Social Studies department sponsors the Close-Up trip to Washington, D.C. This trip is an educational and informative experience allowing the students to get a first hand view of how our government works. The students visited with Congressmen and Senators such as Ron Paul and Lloyd Bentsen, acquainting themselves with current issues and discussing questions they may have with their Congressmen. While in Washington, D.C., the students toured the city, viewing historical sites as well as the Capitol, the White House, and the Smithsonian.

SAN JACINTO PARADE

The annual San Jacinto Day activities included: the Rotary Club Shrimp Boil and auction; the San Jacinto Day Parade; and finally, the Street Dance. The festivities were brightened by the Belle of the Brazos contest held the previous night, accompanied by a historical pageant entitled, "The Cradle of Texas." The pageant was performed by the West Columbia Historical Society.

We are survivors! We have survived the stresses of lost negatives, countless rewrites, innumerable retakes, late deadlines, even a new sponsor. Now we offer you our sacrificial offering in fear and trembling, but with the utmost love. We hope our fumblings and reverses will not be evident to you, our audience. We also want you to remember us as a group of free spirits who held a steady vision — getting the *Gusher* to press. May this best of all annuals be as special to you as it has been to us. Our goal has been to create a book of ideas and dreams, winnings and losings, laughter and tears rooted in something eternal: memories, the memories that we have all shared.

GIRLS' ATHLETIC CLUB

The Girls' Athletics Club is an organization designed for the girls who participate in sports at Columbia High School. The purposes of the club are: sponsoring concession stands at volleyball games, baseball games, and track meets; promoting spirit at all sports events, and encouraging students to join sports. The girls sponsored an exciting trip to Austin in the spring for the Girls State Basketball Tournament. As spectators they learned a great deal and as C.H.S. travelers they had a great time. In every way the Girls Athletics Club promoted healthy living, good sportsmanship, and close friendship.

HAIL BRITANNIA

AND AWAY WE GO

This year a group of fourteen C.H.S. students, sponsored by Gay Sauer, spent Spring Break touring parts of England. They visited such historical and picturesque sites as Warwick and Windsor Castles, Tower of London, Westminster Abbey, Stratford Upon Avon, and Stone Hinge. The students also experienced a medieval feast and attended the London theatres. The group was impressed by the size of London and the extensive history to be found there. There was so much to enjoy and so much to be abosorbed. The students returned very tired, but full of stories to be shared with their classes.

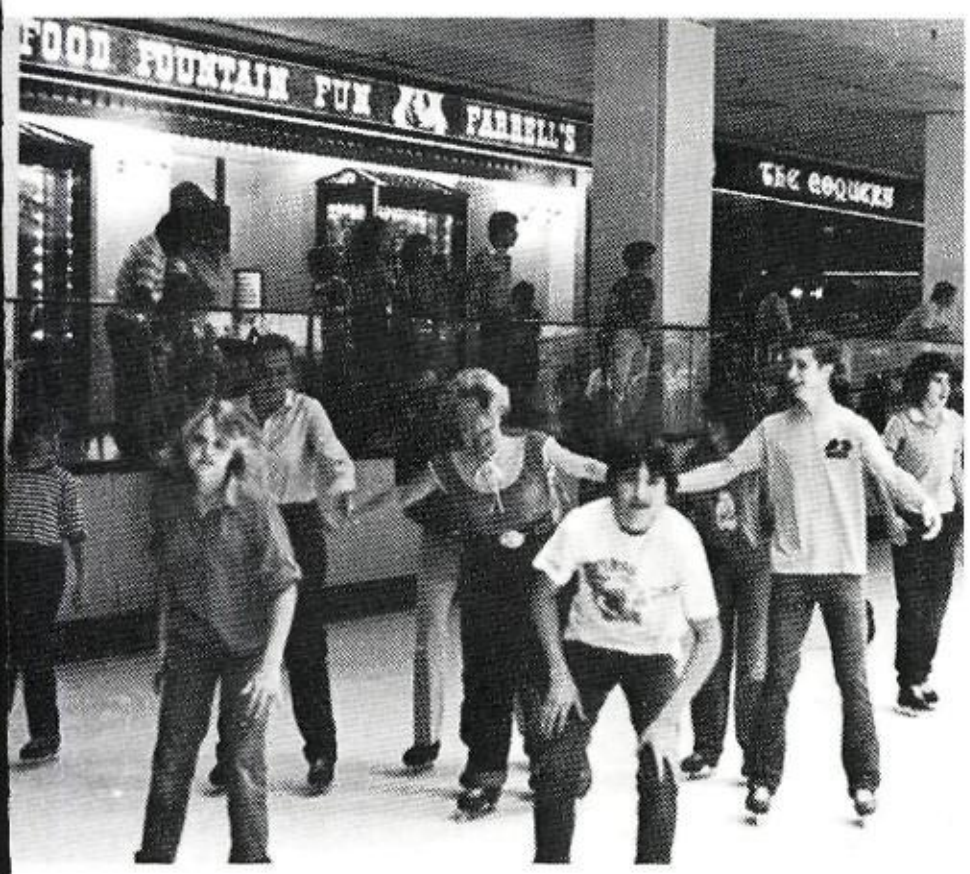
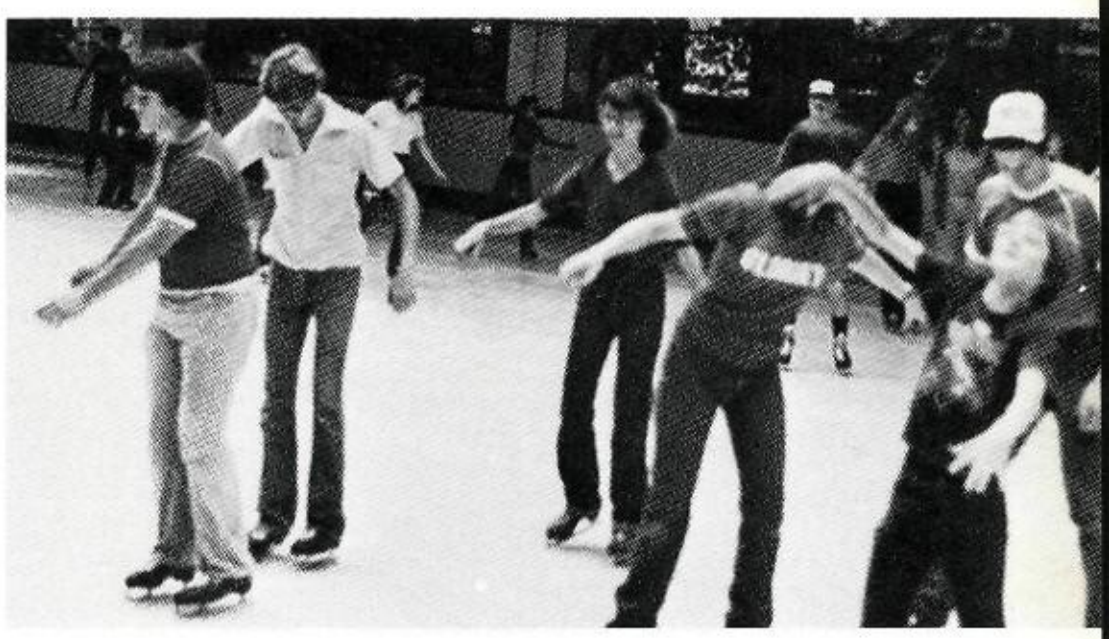
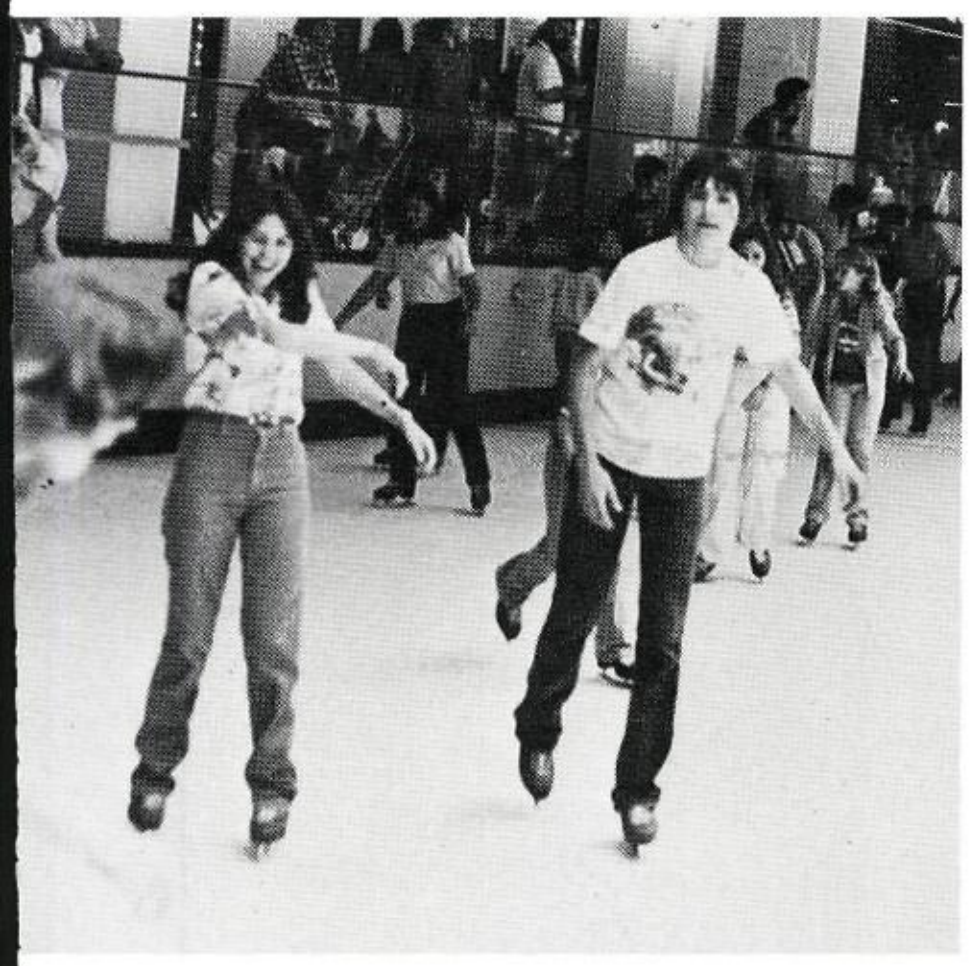
The Spanish Club is a group of students who are taking Spanish. The Club has two major purposes: one is to raise enough money for a foreign language scholarship of $200.00 and the other is to give the students a chance to practice their new skill with people of their own experience level.







LIFT CLUB

LIFT, "Leadership Interest for Today," Club is composed of 2nd, 3rd and 4th year students: It is open to all students in these grades. The purposes are as follows:

To develop school spirit.
To provide an opportunity for students to develop in areas that will insure leadership — club officers, committees, etc.
To acquaint students with personalities who have excelled, hoping that such contacts will inspire and encourage them to accept challenges.
To encourage a development of a cooperative and sensitive attitudes toward all people.
To encourage respect for parents and authority.
To provide clean, wholesome, supervised fun.
To inspire students to study in depth by giving a $2000 *scholarship to the eligible graduate.*

The club leaves a gift to the school each year as a lasting concern for the institution.

YOUTH for CHRIST

Youth for Christ was organized in the mid-sixties for the purpose of establishing and encouraging Christian values. Activities include weekly meetings, monthly recreational times, invocation responsibilities as well as service projects. Our weekly meetings are open to the CHS student body and feature area ministers, youth workers, and musicians. Often, students comprise the programs themselves.

1 Rejoice in the Lord, O ye righteous; for praise is befitting to the upright.
2 Praise the Lord with the psaltery and an instrument of ten strings.
3 Sing unto him a new song; play skillfully with a loud noise.
4 For the word of the Lord is right, and all his works are done in truth.
5 He loveth righteousness and justice; the earth is full of the goodness of the Lord.

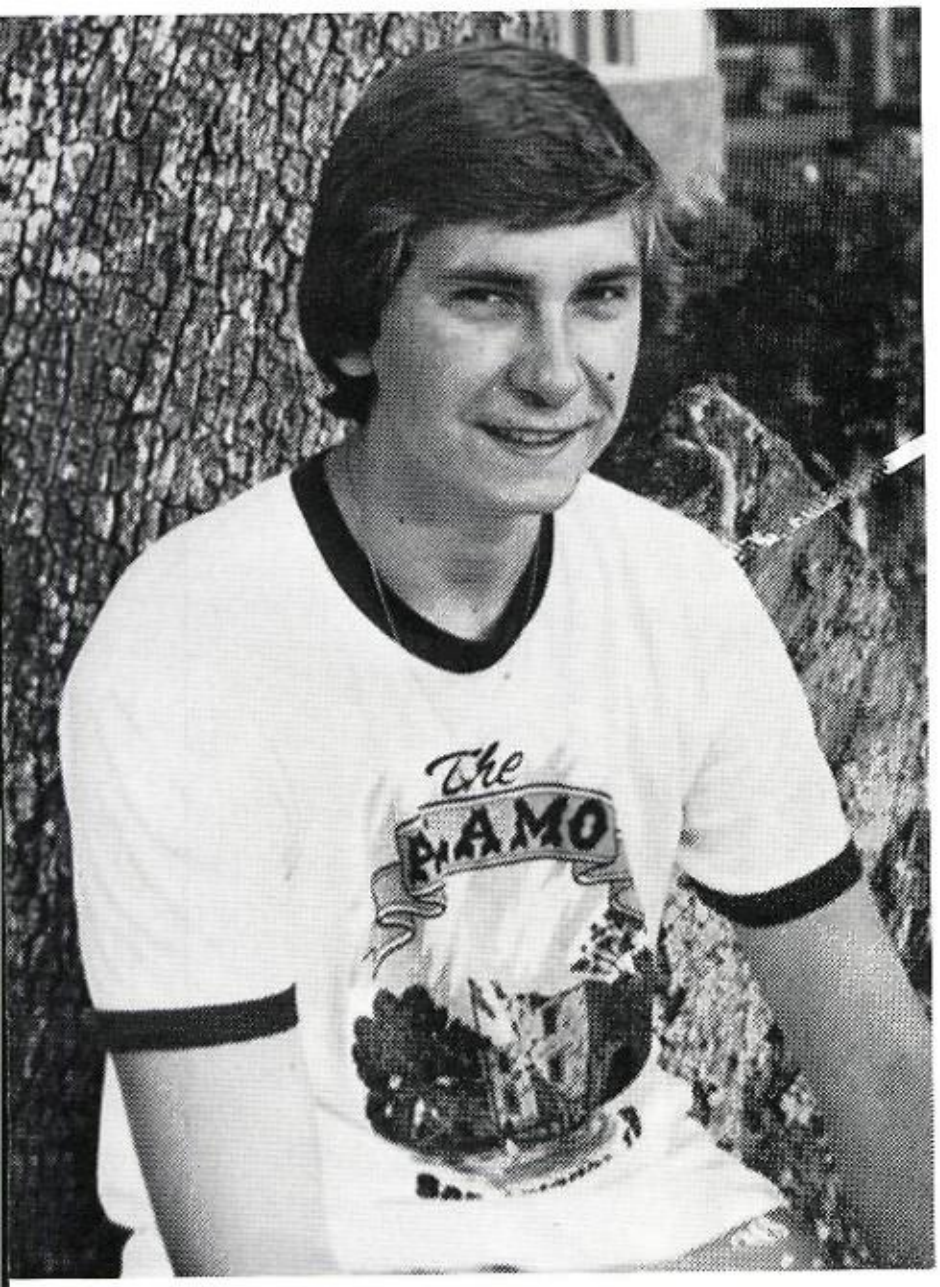
A.F.S.

American Field Service

A.F.S. is the student club that provides friends, tutors, and social activities for the visiting foreign students of C.H.S. The club is extremely active and tries to introduce "strictly American" opportunities to the visitors. We have hosted students from all over the world for many years. The A.F.S. organization has also sent several students from our school to other nations. We are great!

Mrs. Joyce Schaefer, sponsor.



Tolly Bakounovitch

Tolly Bakounovitch is from Encarnacion, Paraquay. He became an exchange student because he wanted to learn to speak English fluently and was also interested in experiencing foreign cultures and their customs.
Encarnacion is a large South American city though Tolly explains it is not large like Houston. It is located within a network of streams and rivers that Tolly remembers as being very beautiful. While here Tolly missed swimming in the rivers and playing soccer. Tolly's American family was Suzanne and Wes Griggs and their two children Blake and Courtney. C.H.S. was more difficult than Tolly thought it would be. He felt as though he learned a great deal and enjoyed his wonderful trips to New Mexico, Washington D.C. and San Antonio. Tolly looks to the future enthusiastically. He leaves an invitation to his C.H.S. friends, "Everybody come visit."

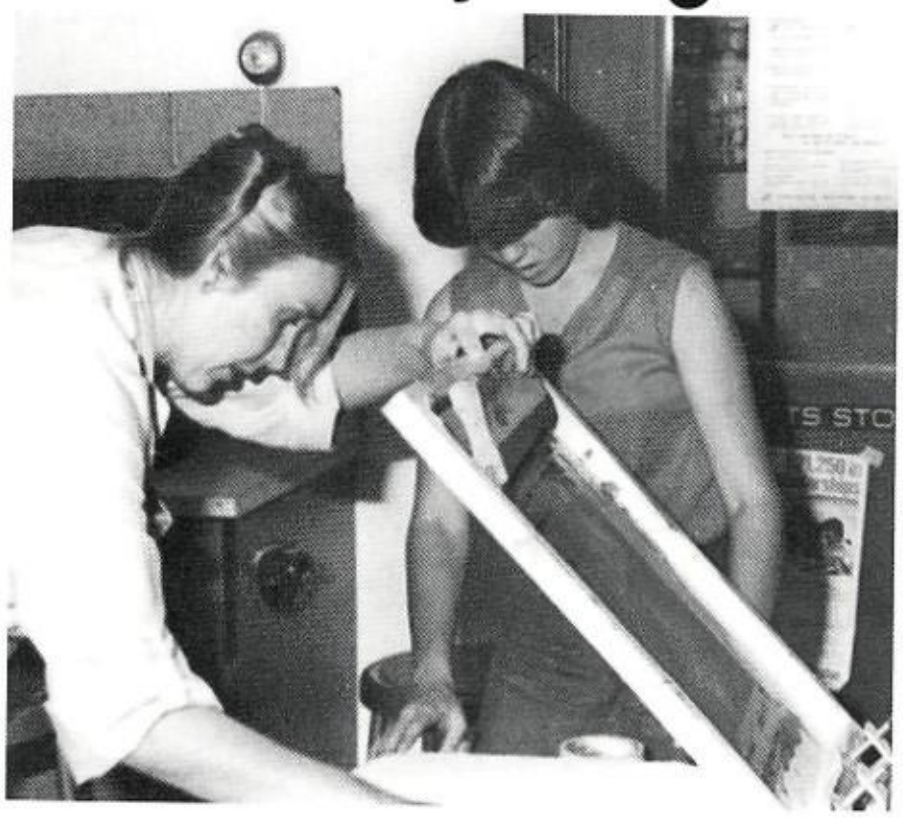
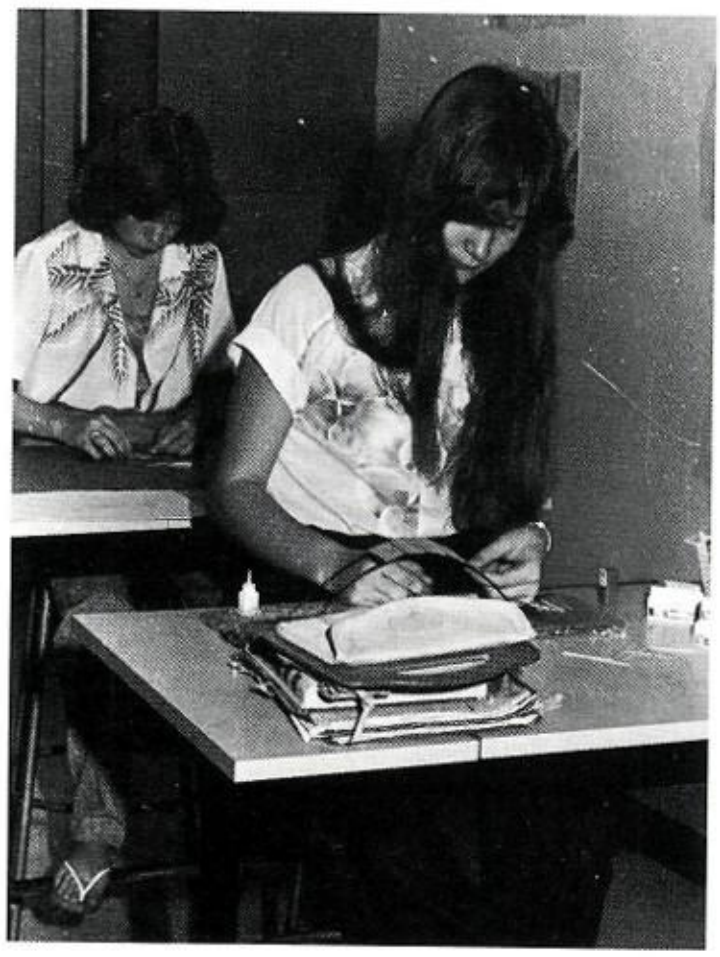
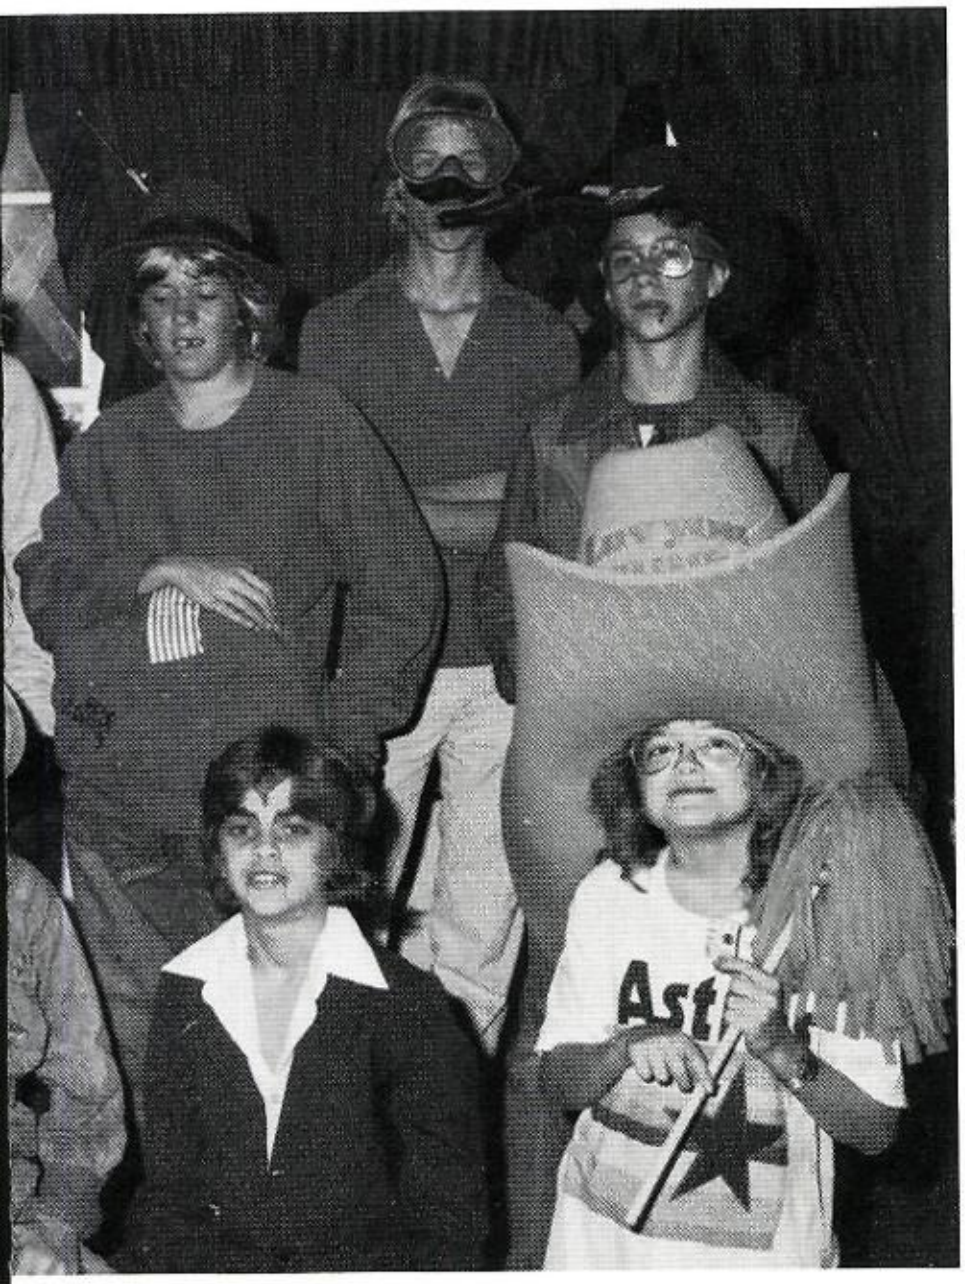
CHS Paint Company

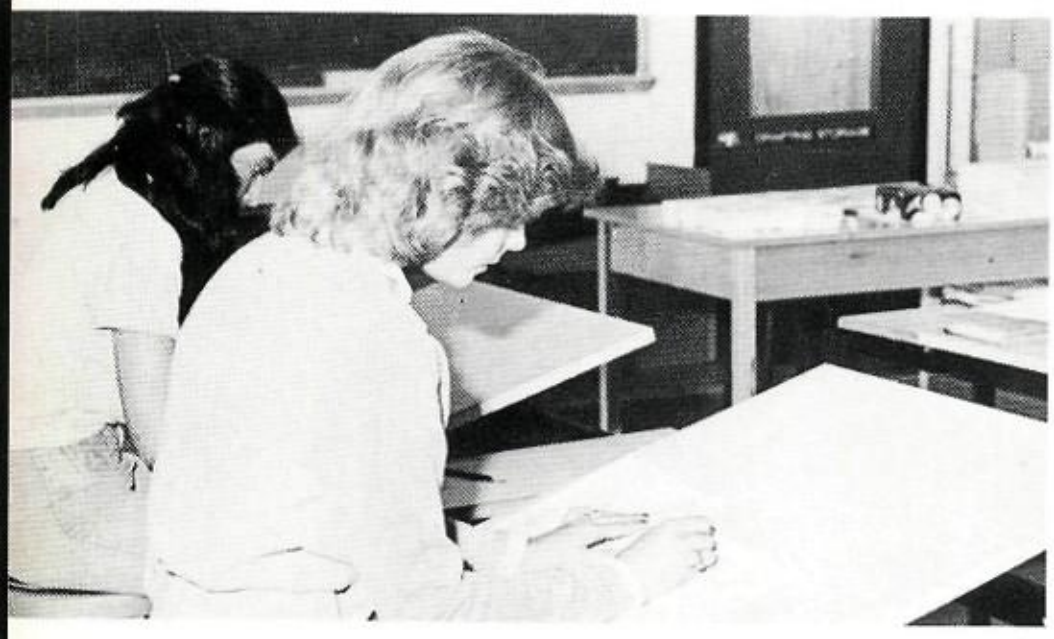


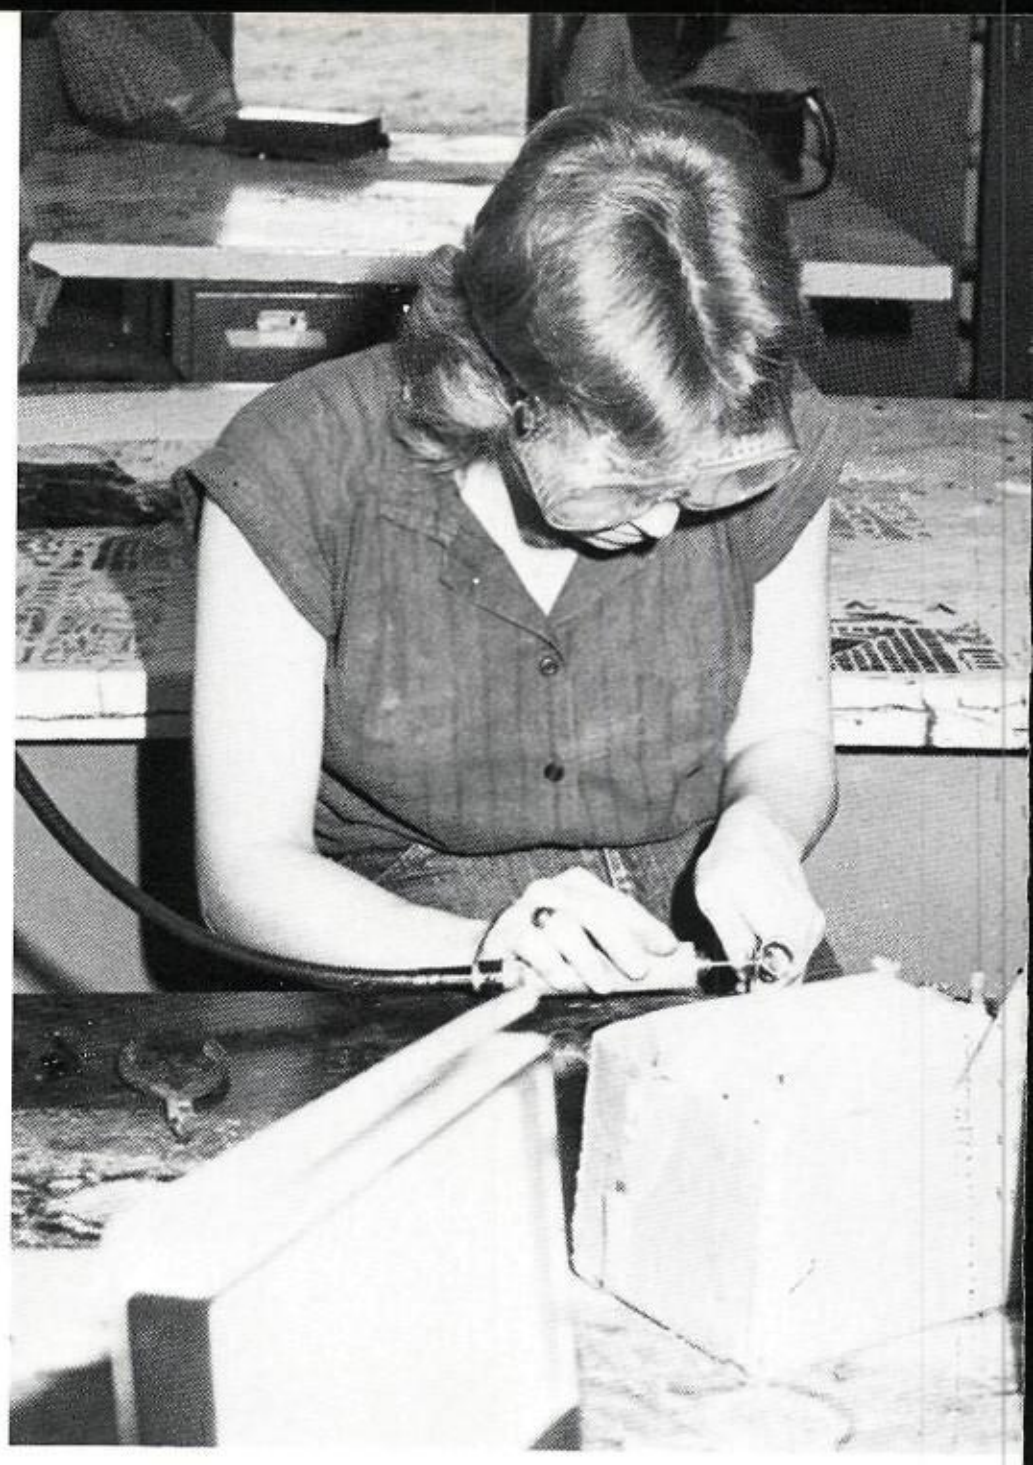




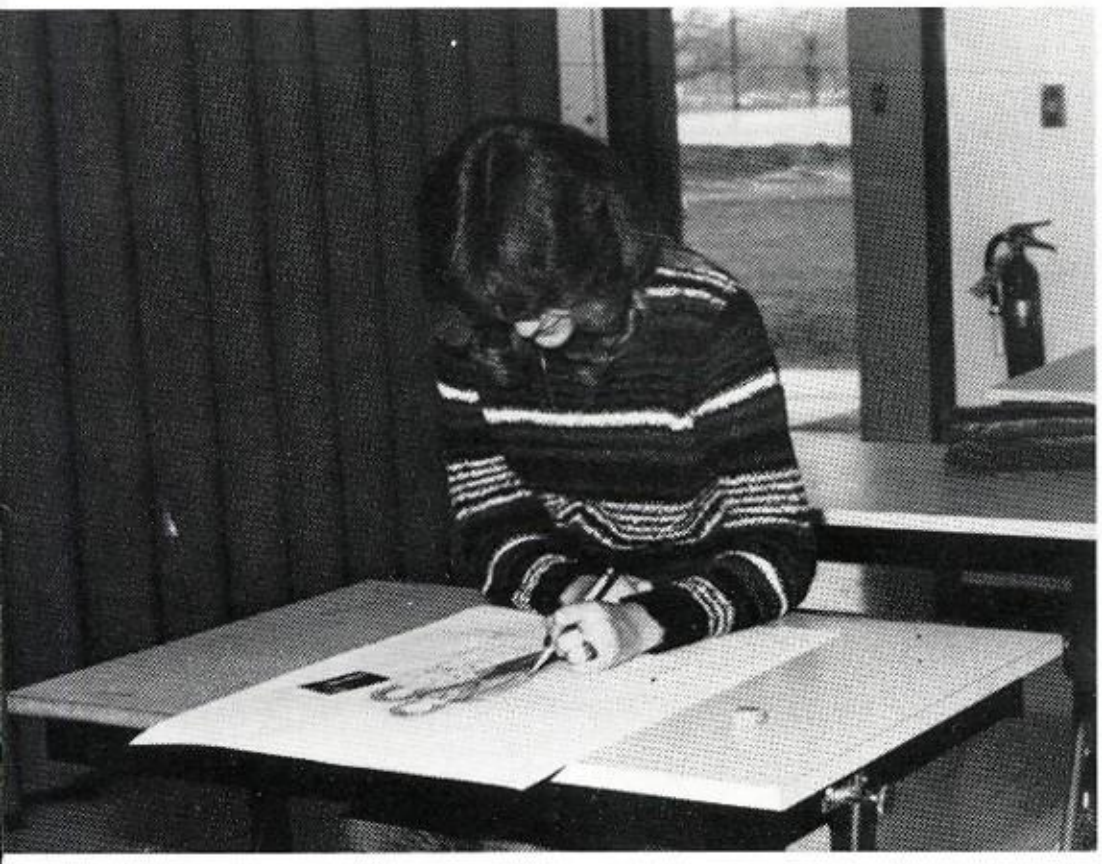
The C.H.S. Paint Company is a new organization formed by Mrs. La Fevers and Mrs. Sechelski. C.H.S. has an unusually large number of very talented students who wanted to join together in creative projects. The club has generated alot of excitement among not only students, but also in the community with unique T-shirt designs and professional posters. It was the Art Club members who printed 500 T-shirts for the West Columbia Chamber of Commerce; shirts for the cheerleaders, and even the wine glasses given as favors at the '81 Prom. The club members enjoy success as they learn valuable skills.

ART





Lucky Simple
Winner at Brazoria County Fair Art Show, Scholastic Art Awards, and two time winner at Brazoport Art League Student Show.



The C.H.S. art department experienced change and growth in the school year '80-'81. Mrs. Walker's drawing and painting classes made room for new and exciting media such as sculpture, taught by Mrs. Sechelski; also silk screening and jewelry making, taught by Mrs. LaFevers. To add to the excitement, the Gusher Staff moved into its own new, well equipped building. Also the staff expanded its art to include color photography which burst forth in this year's yearbook. At mid-term Mr. Cobb joined the department bringing with him a strange order and cleanliness. Students formed the C.H.S. Paint Company, and they won numerous ribbons and trophies. These student artists have much talent to offer to the art world of the future.

CONCERT CHOIR

We have a select assemblage of talented fine art students concerned chiefly with choral music. Our multi-faceted curriculum employs the use of many different types of music ranging from pop and jazz to non-secular Phrygian Hymns. This wide variety of selections and styles creates a flexible and well-rounded musician. During the past year, our members have competed in U.I.L. Solo and Ensemble; TMEA District Region, Area, and State Competitions, and in U.I.L. Concert and Sightreading Contests. The choir has also become involved in community activities in the past year by giving Christmas concerts at Sweetbriar Nursing Home and Henry O. Tanner Elementary School, as well as patriotic concerts for local sorority meetings and San Jacinto Day. We place much pride in our art and in our contributions in the school and community, and we derive a deep sense of joy from our work and accomplishments.

A special treat was in store for C.H.S. faculty this year as Mrs. Newman introduced a new vocational program, V.O.I.C. The girls involved were in special training for restaurant and other food related services. During the week, students dealt with dietary, management, and sanitary studies, but on Tuesday and Friday they delighted faculty members with the fruits of their special abilities by serving delicious lunches. If the students of V.O.I.C. need references in the future, they'll have no problem finding a number of satisfied customers.

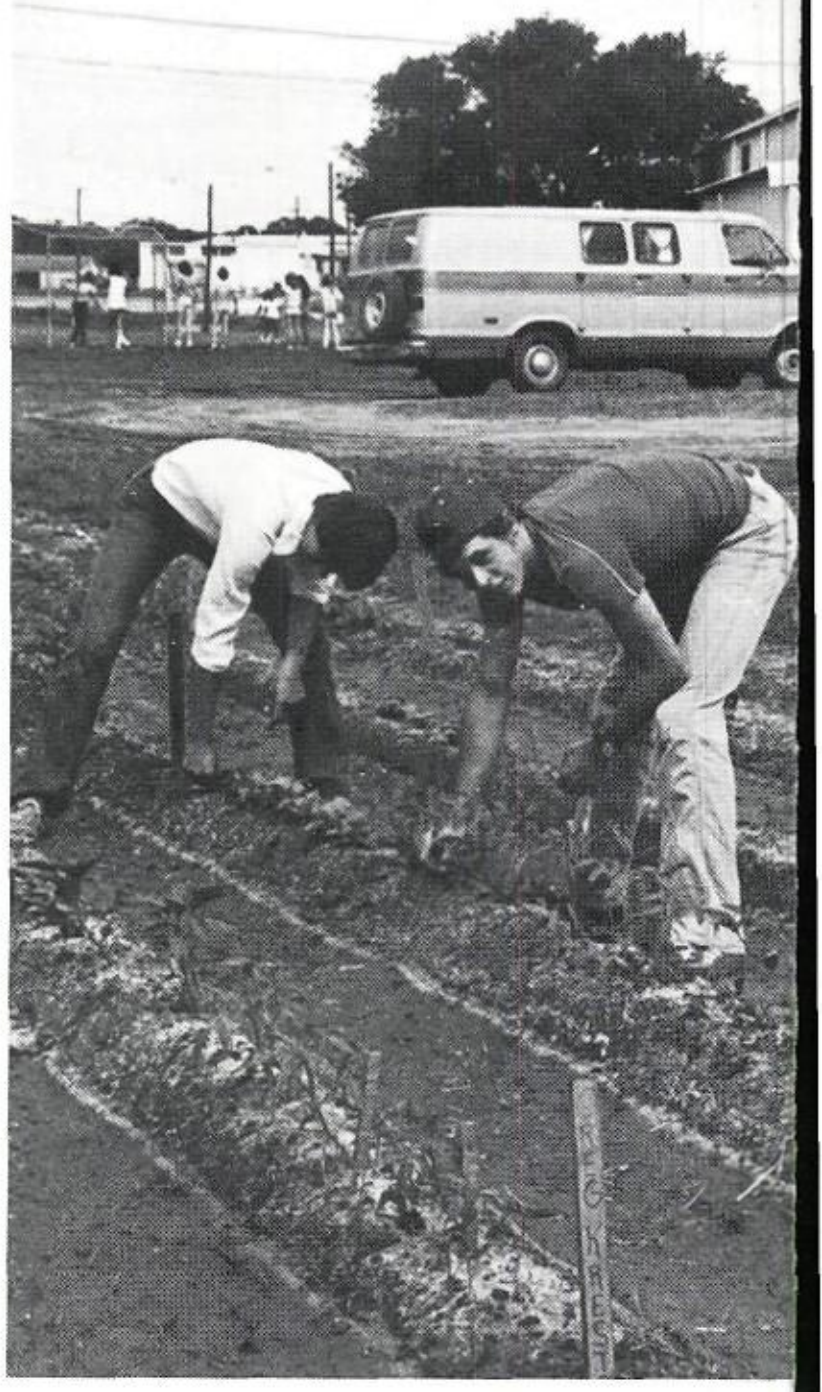
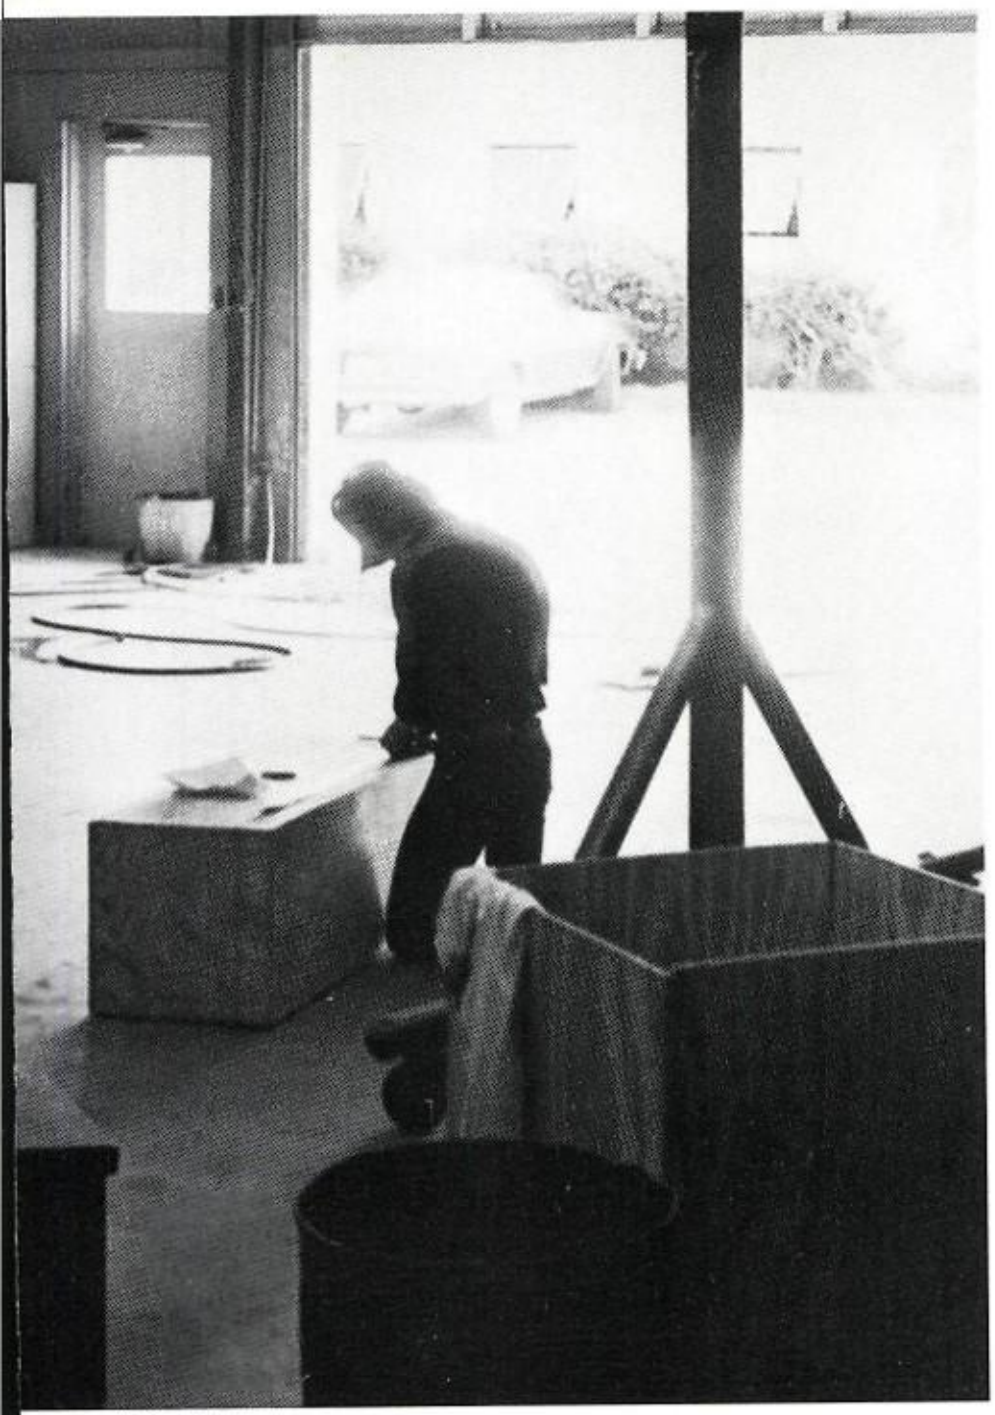
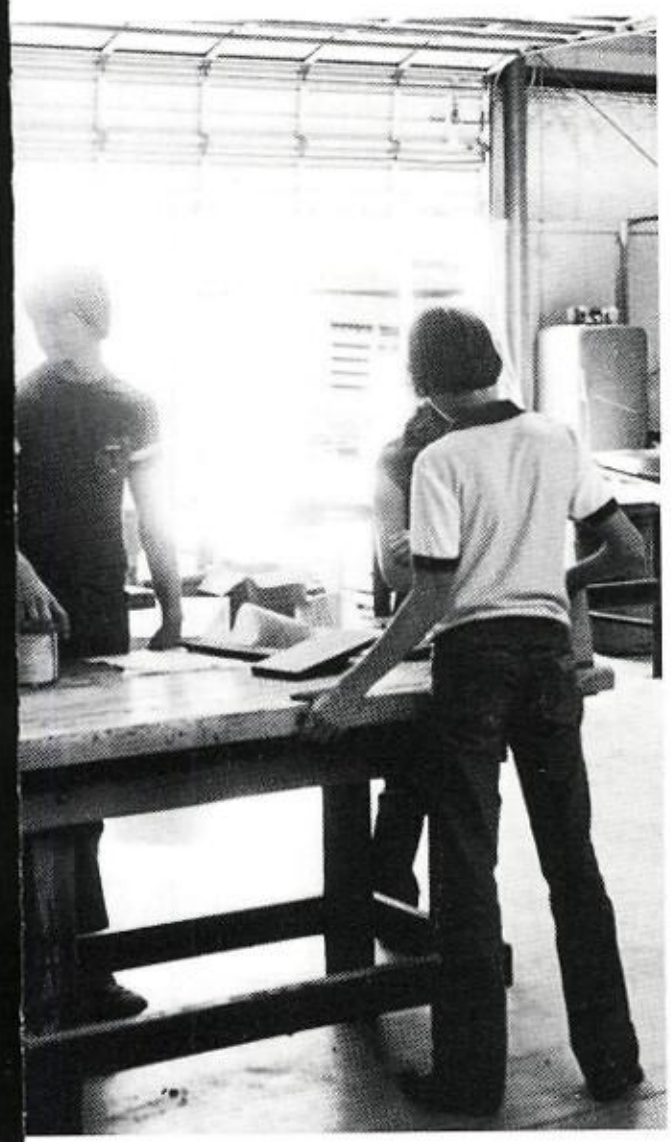
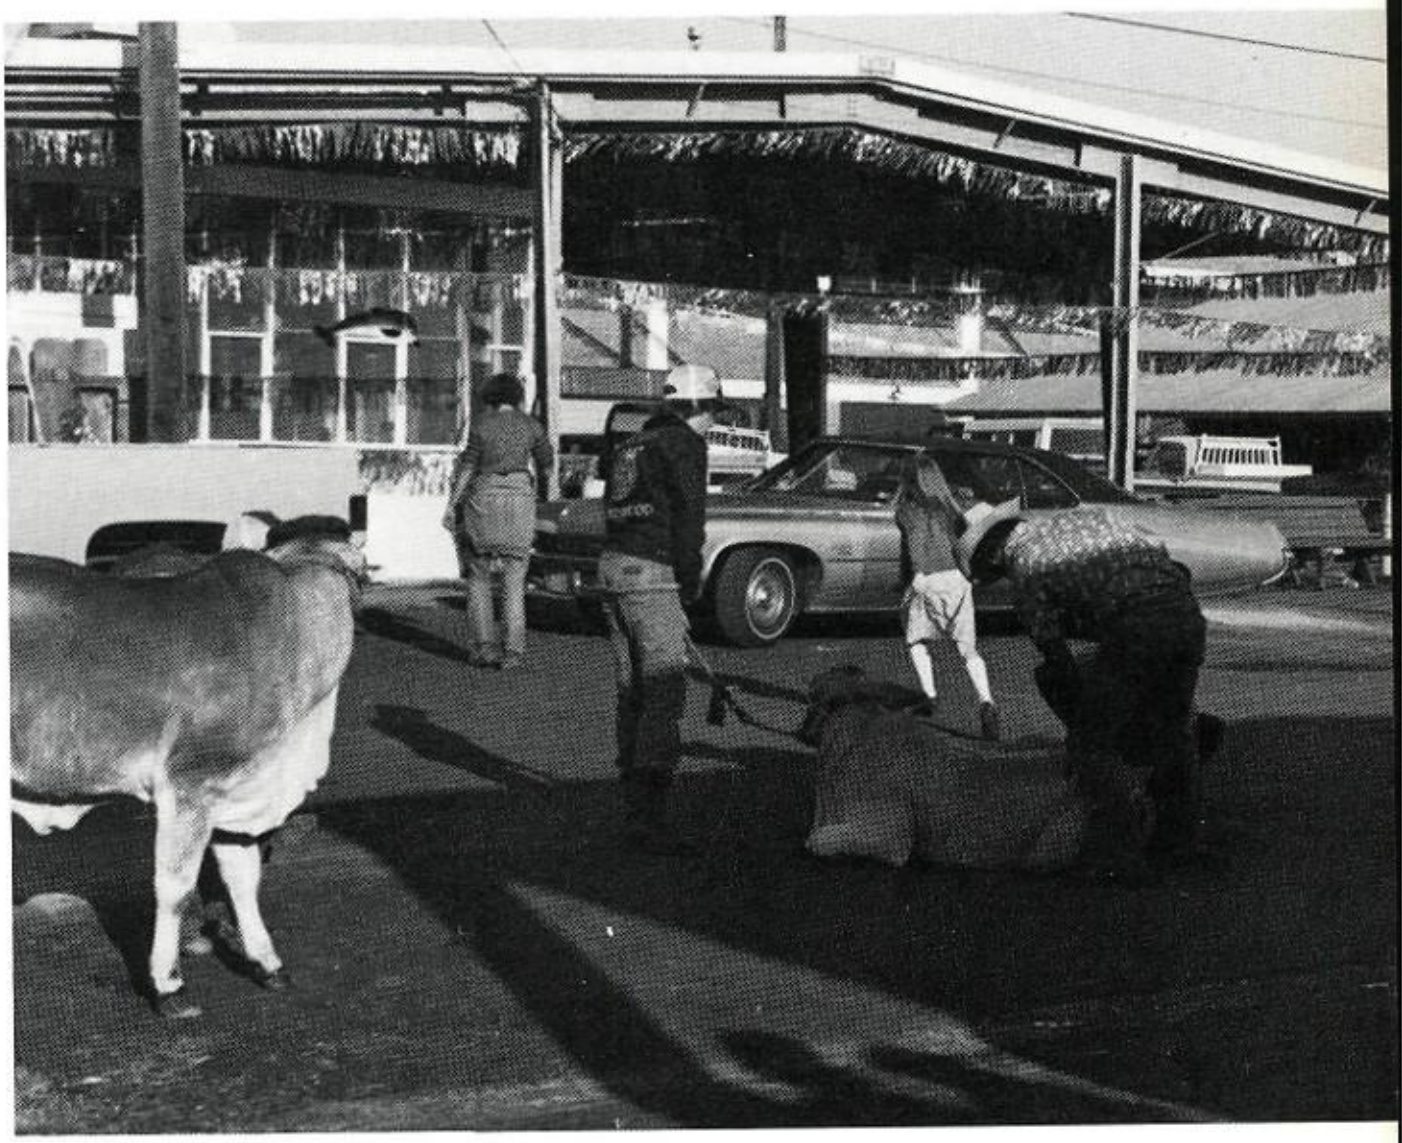
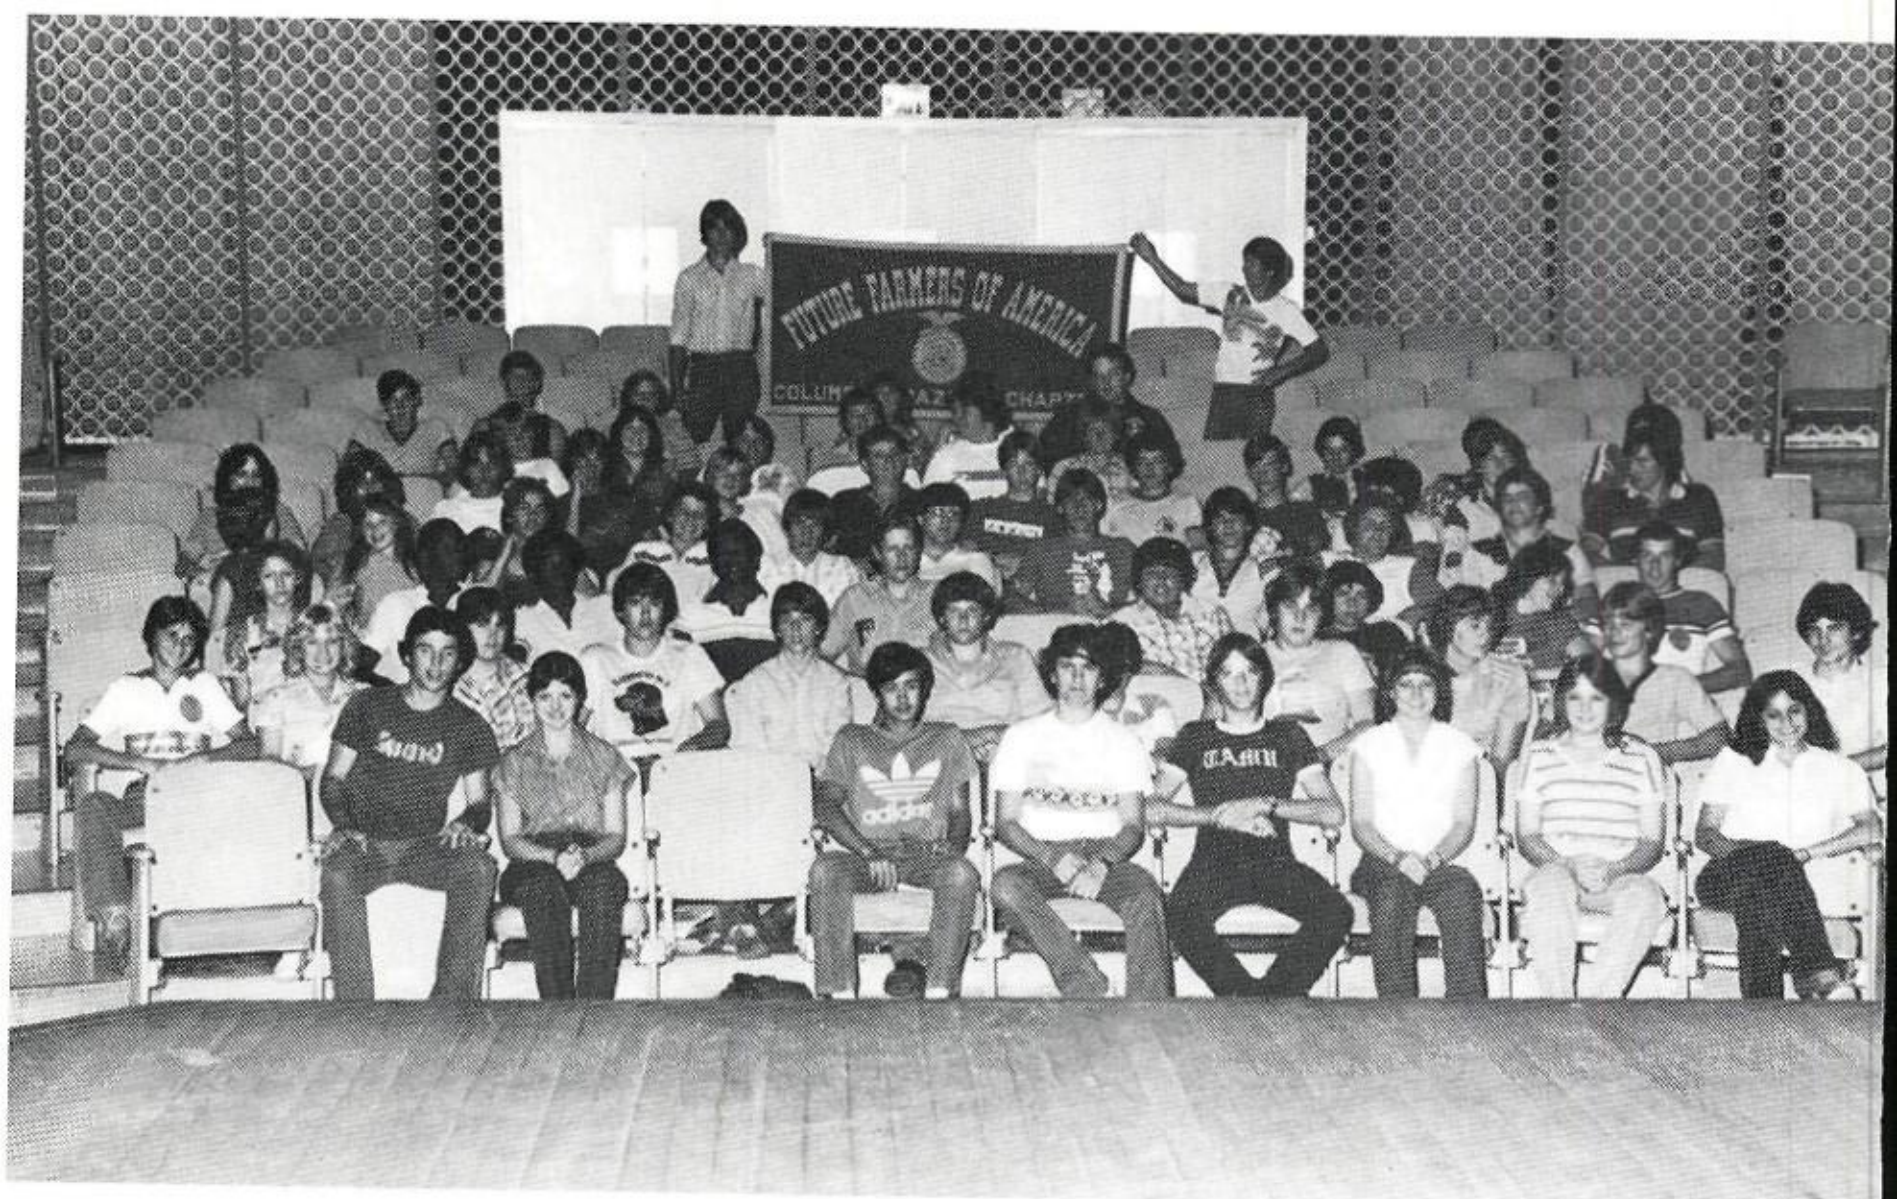
F.F.A.











The objective of vocational agriculture is to prepare students for challenging careers on the farm, as well as forestry, horticulture, food processing, and natural resource occupations. A unique feature of vocational agriculture education today is that learning does not end in the classroom. Students use knowledge gained through classroom instruction as a foundation for supervised experience programs on farms, in local agriculture establishments, and in activities of the F.F.A. Locally we strive to excel at the Brazoria County Fair held every year. Our FFA members show livestock and poultry in every phase of the show. Voc. Ag students also participate in leadership and judging contests held throughout the year. Public speaking contests are also an asset to our program.

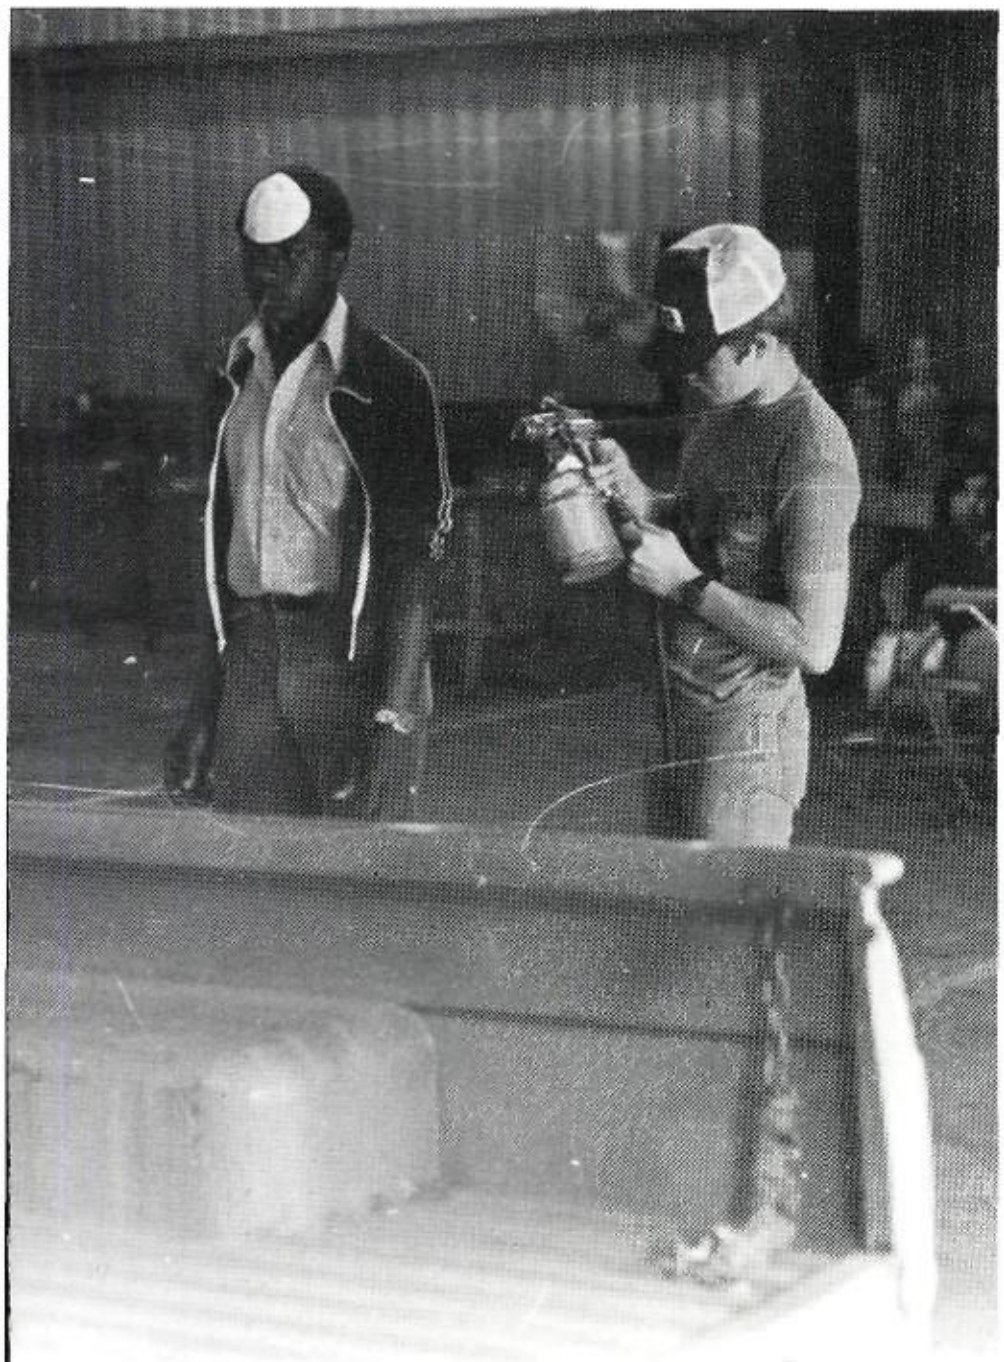
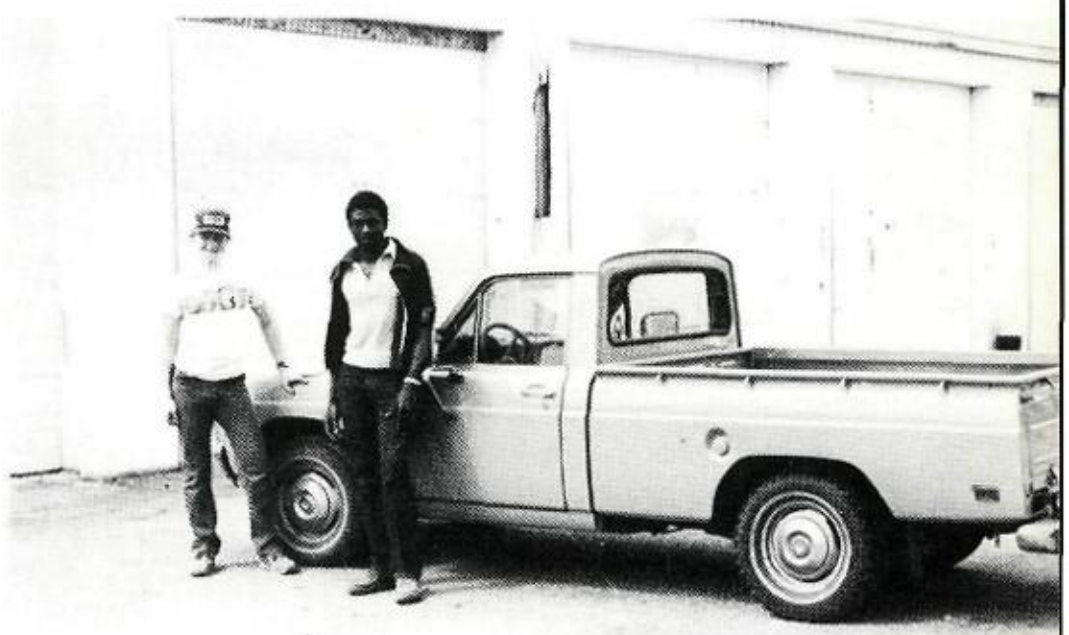
C.V.A.E. means Co-ordinated Vocational Academic Education. This translated to mean learning about jobs and books at the same time.

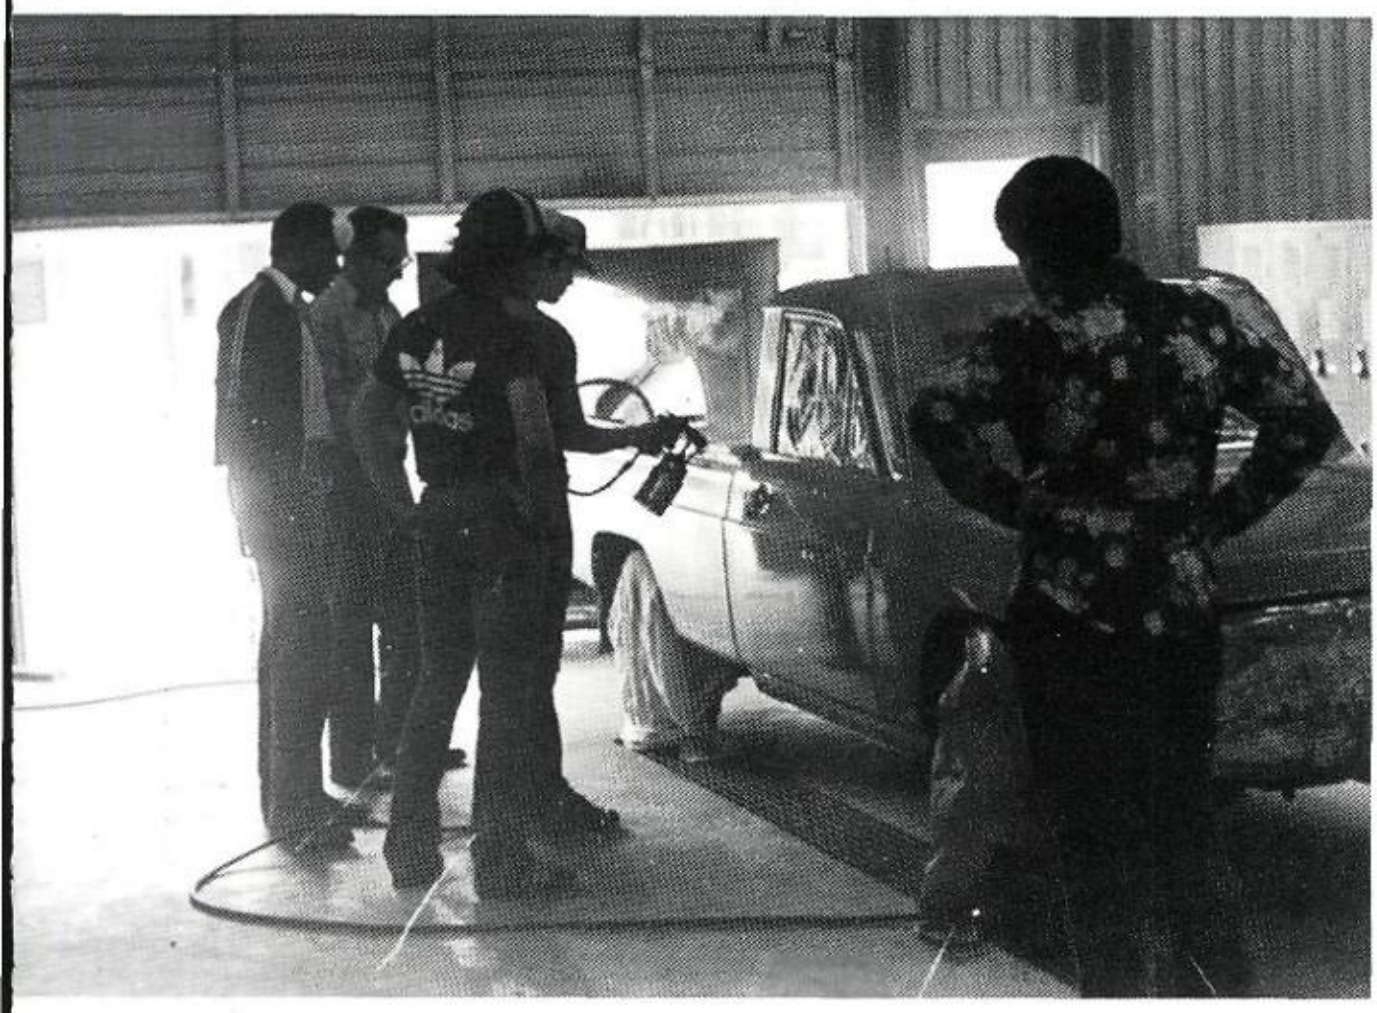


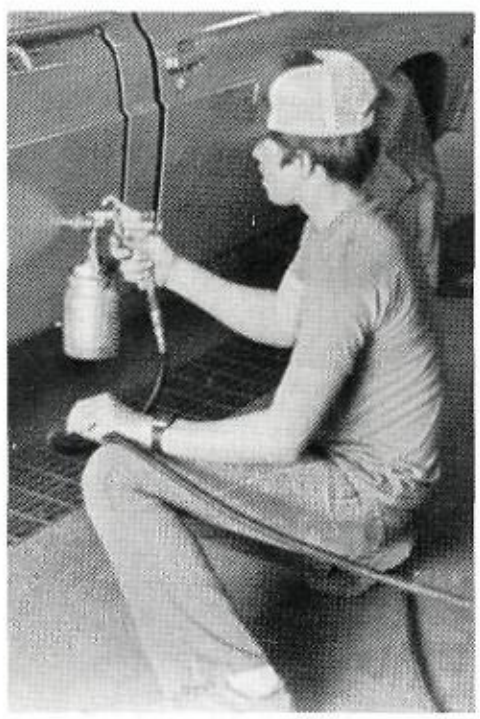
At Columbia High there are several C.V.A.E. programs. Mechanics, construction, co-op (for working students) are the clusters at the Vocational Center. On the main campus, two new programs were added this year: office duplication and food service.

The purpose of C.V.A.E. classes is to teach students job skills and prepare them for the world of work, while doing actual projects in the fields of training.

These programs are designed to make school more interesting and to give the student the opportunity to acquire a salable skill.







Office Duplication Practices is a vocational training course designed to teach students basic office skills for entry level into various office occupations. Students learn office skills as well as how to operate a number of office machines including the offest press, stencil duplicator, spirit duplicator, calculator and others.

Angleton

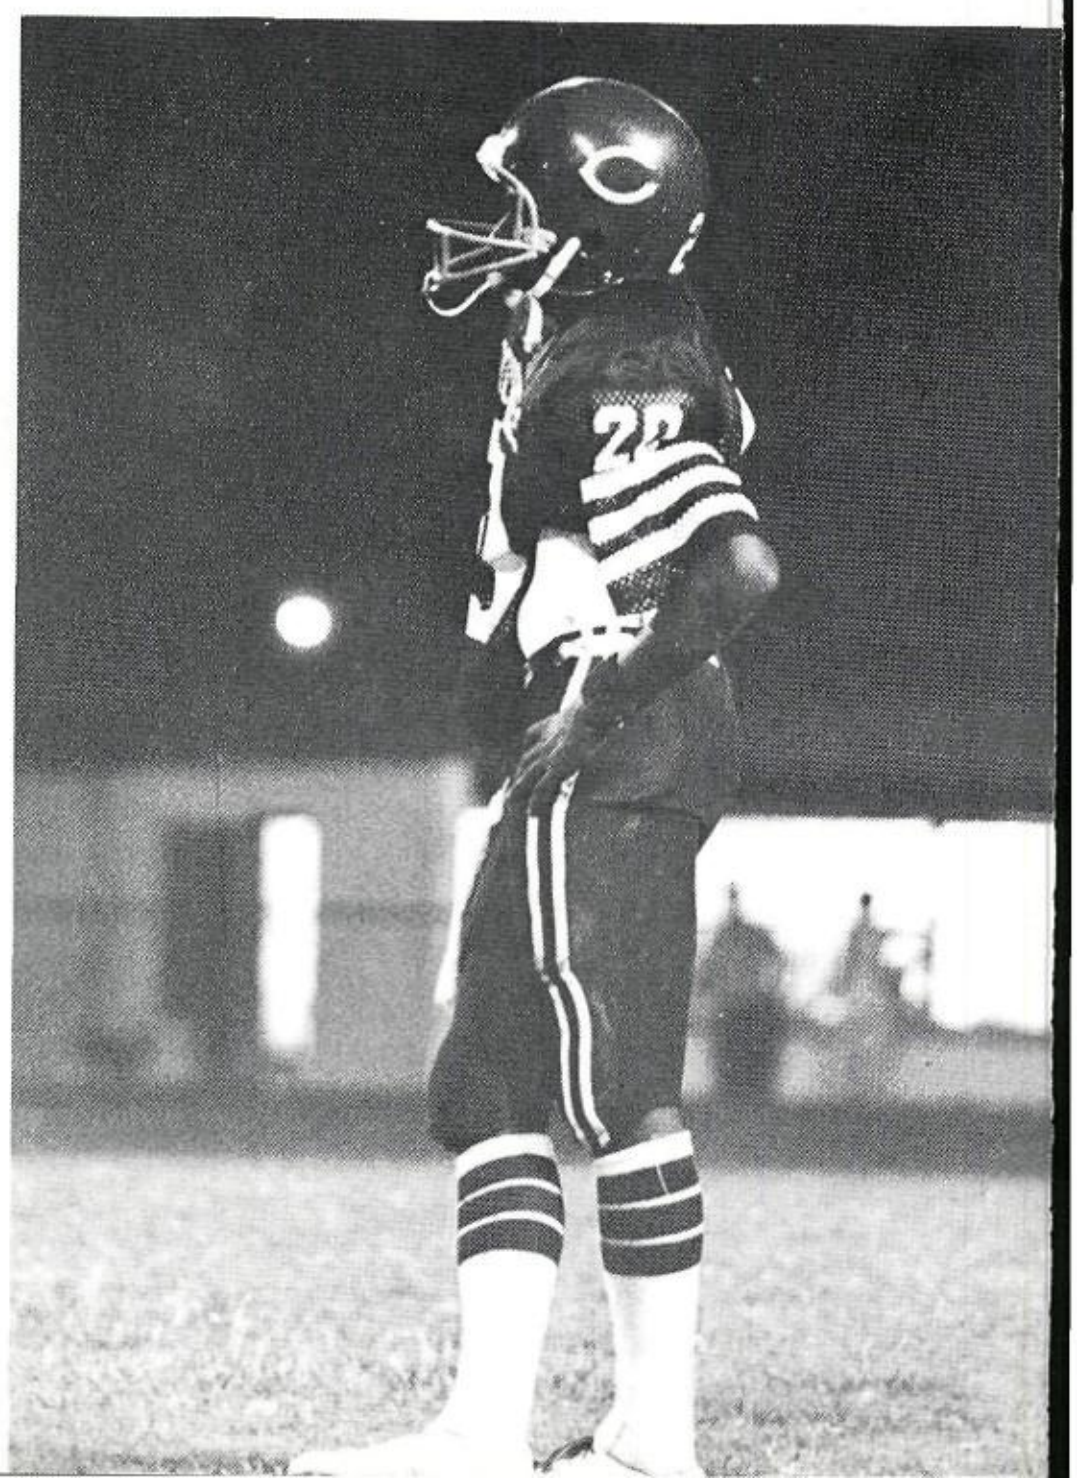
The first game of the season was quiet promising for the 'Necks as they tied the Angleton Wildcats 7-7 in a very messy game. Tropical storm Danielle blew in just as the game started and slowed the 'Necks down to only 81 total yards in the first half. The only score for the 'Necks came as **Charles Davis** broke for 54 yards and raced down the sideline for the score. The extra point by **Duane Randon** was good. With 2.36 left in the first half, **Ed Derrich** and Dan Gandy called the game.

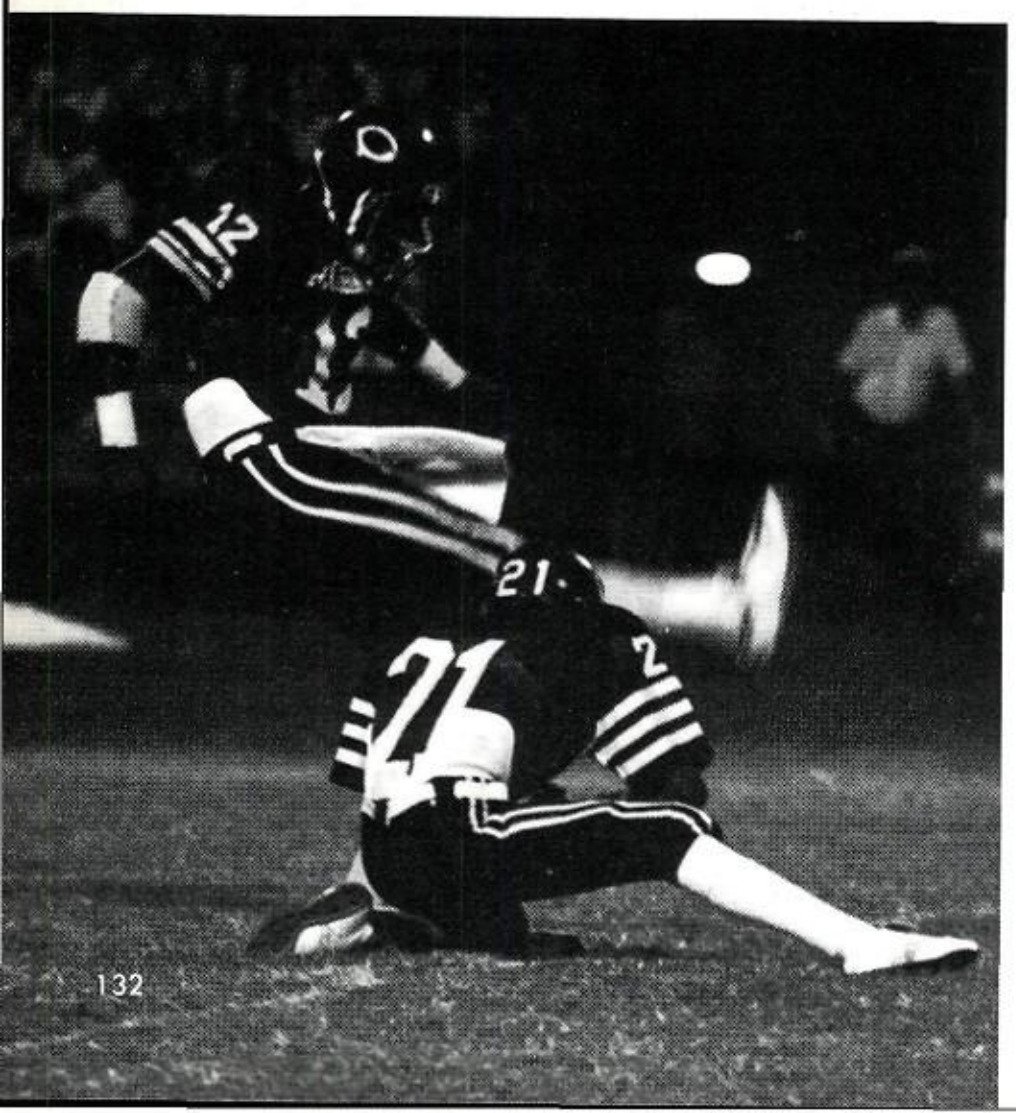
Sweeny

The Sweeny Bulldogs were no challenge for the 'Necks as they were turned back by the 'Necks 27-6 in the truly exciting game at Griggs Field. The 'Necks lit up the scoreboard as **Charles Davis** took the opening kickoff 85 yards for the first score. Other scores came as **Ricky Lightner** took a 66 yard touchdown pass in for a score, **Duane Randon** scored a 55 yard run, and **Phillip Smith** intercepted a 26 yard pass, stunning the Bulldogs 27-6. Columbia had 271 total yards and twelve first downs for the night.

Wharton

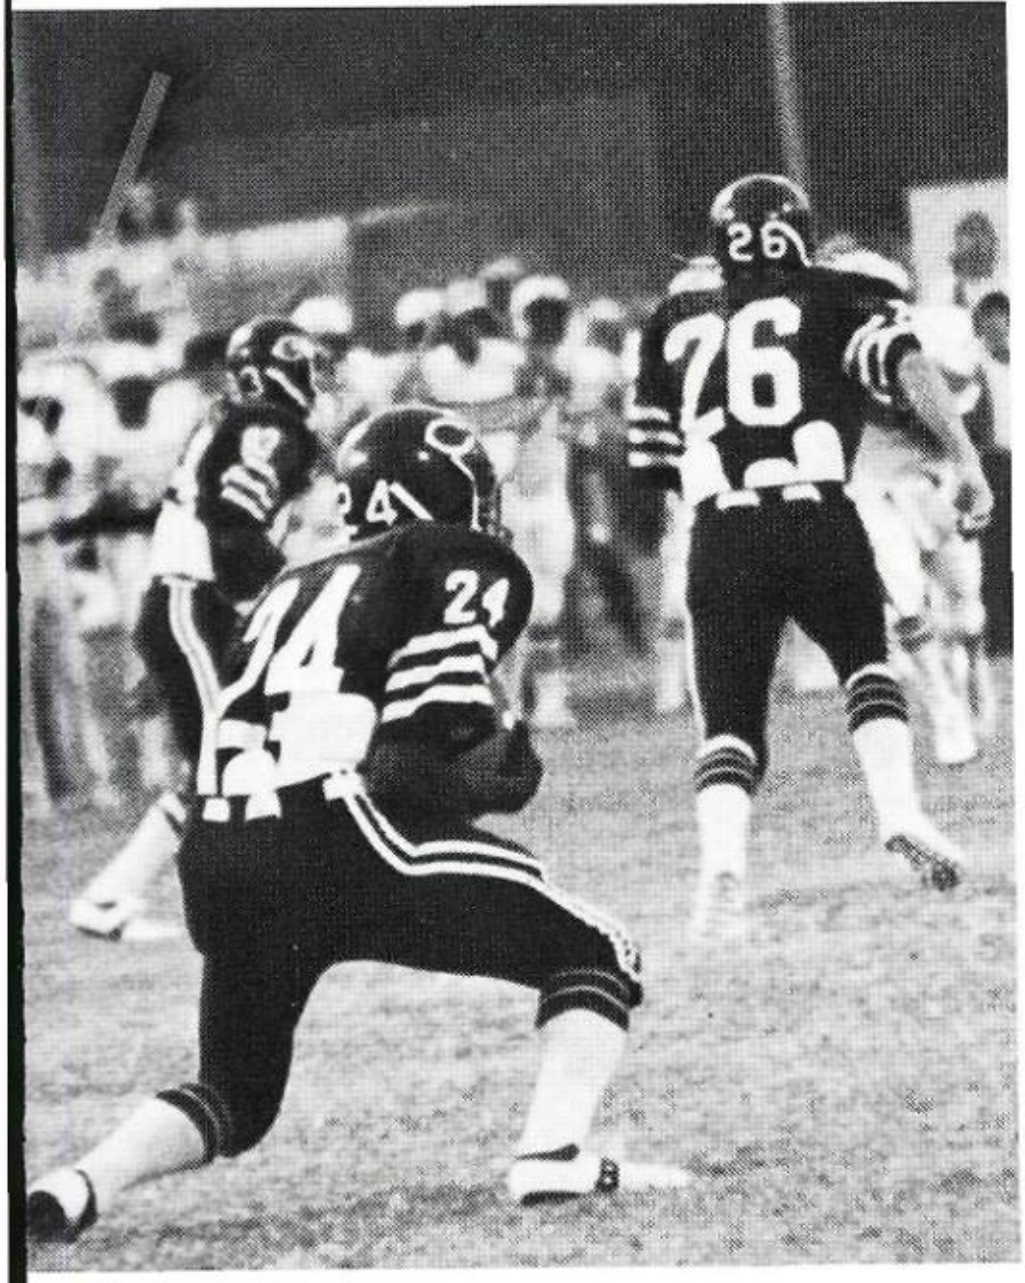
As the Wharton Tigers rolled into town a running back, Antonio Brinkley, came along with them. He, along with the rest of his teammates, crushed the Columbia Roughnecks 33-13 in a crucial district match for the 'Necks. The 'Necks who started out slowly ended being too slow as Brinkly and the Tigers ran wild against the Columbia Roughnecks. The 'Necks who could only come up with 13 points on the board had a fine defensive execution by **Todd Fields** and **Davey Westbrook.**





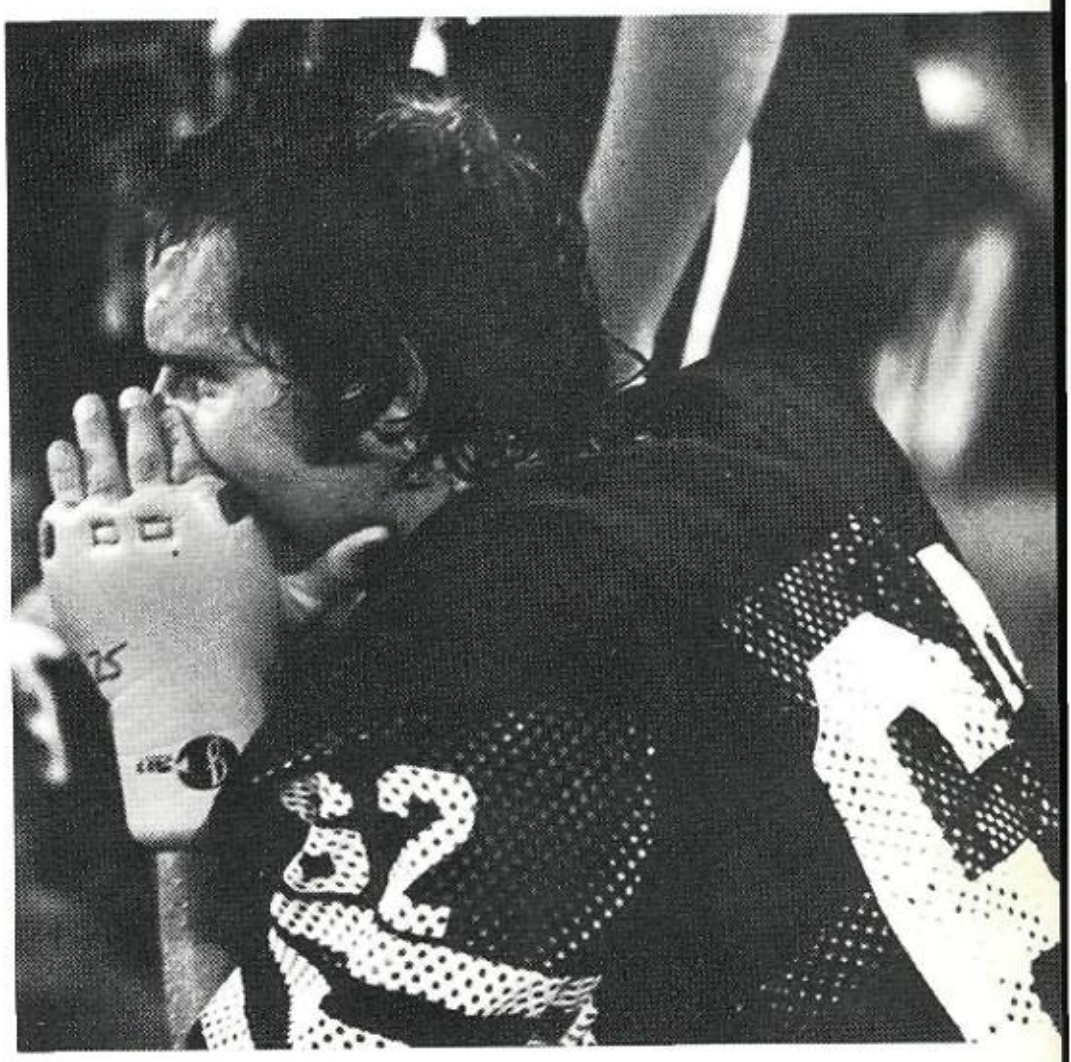
Bay City

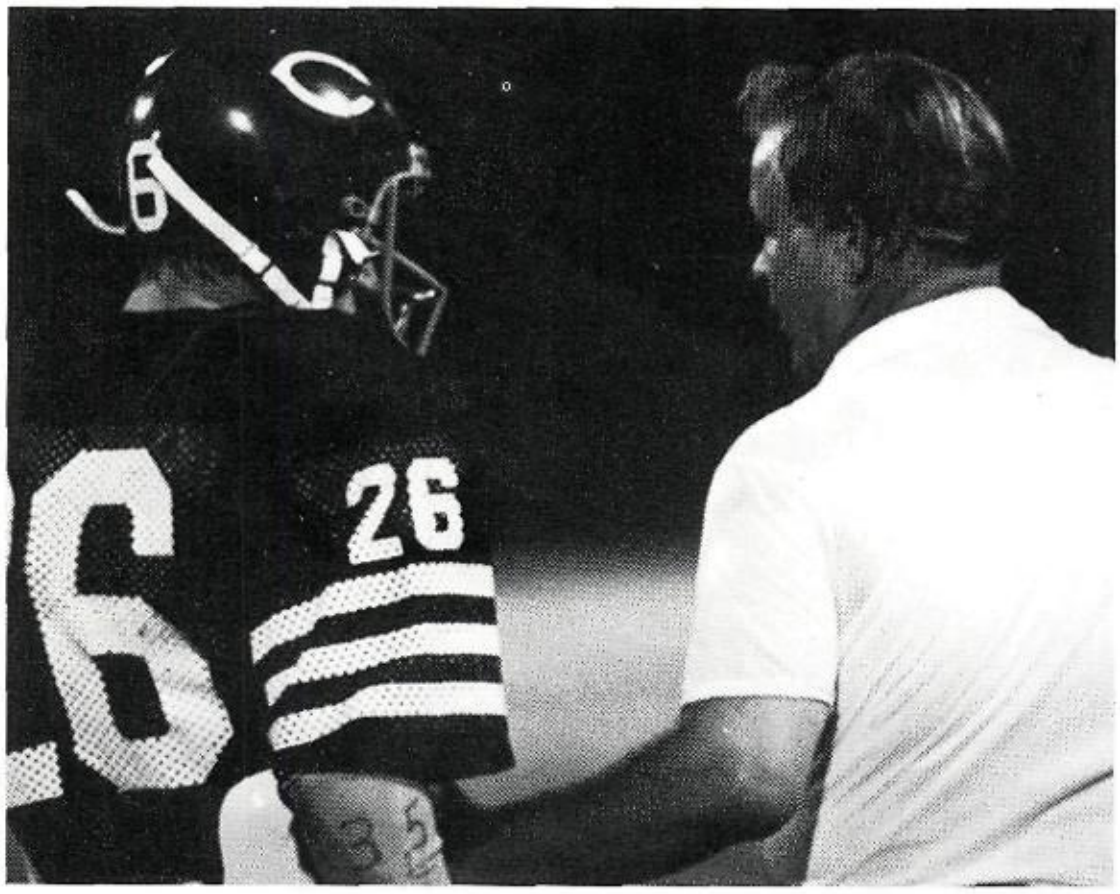
nother rainstorm produced a low scoring game for the oughnecks although this time they came out on the los- g end of the stick. The Bay City Black Cats ran past the lecks 8-0 in a tight district contest. The Cats scored the nly points of the game when Bobby Booker scored for ay City. Bay City had impressive drives but they were apped on fine defensive efforts by Eddie Finley and Ran- y Brinkman. Offensively for the 'Necks, Joe Williams was e leading ball carrier with 99 yards on 10 carries.

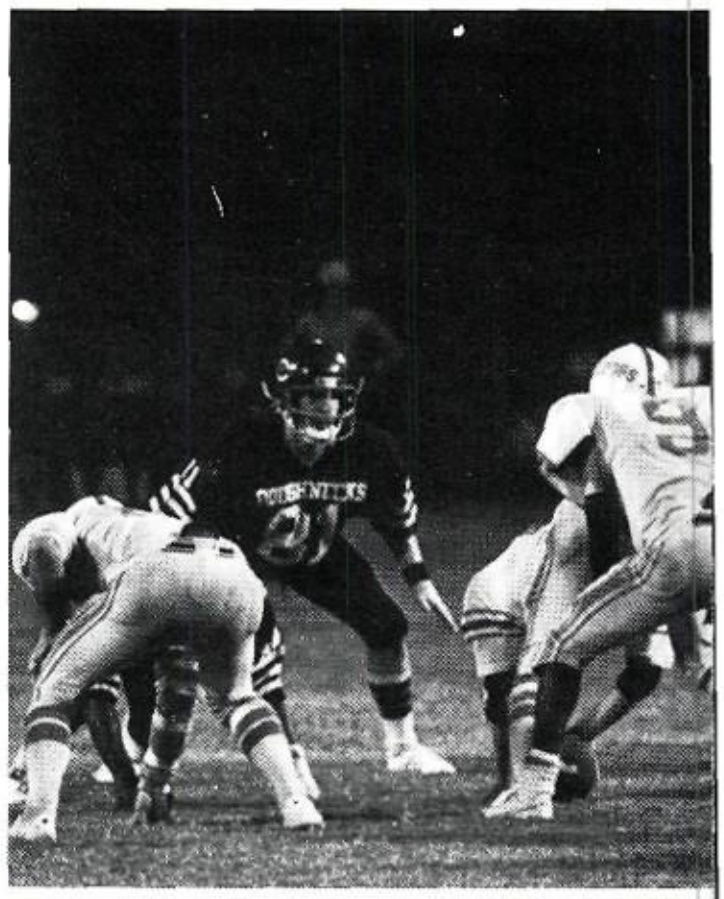


Brazosport

Homecoming 1980 was more than a homecoming for the 'Necks as they skunked the Brazosport Exporters on that momentous occasion. The scent of sweet mums must have fired up the 'Necks as on their second possession of the game they drove 57 yards on six plays. Duane Pandon ran in the first touchdown for four yards to put the 'Necks on the board 7-0 with 6:32 left in the first period. The 'Necks received the ball once again on a fourth down incompletion by the Exporters on their own 25 yard line. They were able to move the ball to the Exporter 43 yard line. There facing a third and ten, Baldridge rolled right and threw to Ricky Lightner for a 13 yard first down completion. The 'Necks were unable to execute any more offense after that, but finalized the game 25-0.







Friendswood

Columbia was once again strongly a winner defeating the Friendswood Mustangs 44-21 in a run-away game by the Necks. **Charles Davis** was the lightning bolt for the necks as he ran 186 yards and scored four touchdowns. **Andre Baldridge** also threw touchdown passes to **Quent Walters,** and **Ricky Lightner** to spark more points on the board. The Necks finalized the game with only 2:48 remaining on the clock as running back **Joe Williams** ran 48 yards untouched to end the game, 44-21.

Katy-Taylor

This Friday Night was wild in Columbia. The Necks pounded the Mustangs 46-0. The Necks scored twice on long, loping runs by **Duane Randon,** two times on **Andre Baldridge** to **Ricky Lightner** passes, and once on a run by **Joe Williams, Clayton Fields** and **Baldridge.** The Mustangs were stunned by 309 yards rushing. Turnovers were a major problem for Katy-Taylor. The Roughnecks had great field position in the game because of the poor punting by Katy-Taylor. Coach **Ed Derrich** was afraid the Necks might take the game lightly, but was pleased with their all out effort in the first half.

Santa Fe

A cold and windy night proved to be unsuccessful for the Roughnecks as they lost to Santa Fe 33-0 in the Indians homecoming. **Eddie Finley** and **Shane Walden** executed a fine defense against the Indians. The Necks played a good sound game until the second half. After that, the team broke down having the Indians gain yardage on them.

El Campo

The first year in district 14-4A El Campo Ricebirds proved that they didn't have enough power as they lost this game to the Columbia Roughnecks 34-6. The Roughnecks scored first when **Andre Baldridge** released a 15 yard touchdown pass to **Quent Walters.** Columbia scored again on a pass from **Baldridge** to **Ricky Lightner. Baldridge** had 148 yards passing for the night with only one interception. This, along with runs by **Charles Davis** and **Joe Williams,** halted the Ricebirds. The last touchdown for the Necks came as **Keith Trahan** dove over from the El Campo one to finalize the score, 34-6.

Willowridge

The last game of the season ended on an unfortunate losing note for the Necks. The Necks produced their first scoring drive as **Charles Davis** ran 85 yards to put the Roughnecks on the Board. By halftime the Eagles had taken a 7-6 lead. The Necks scored their final time in the fourth quarter when **Davis** again ran this time for 23 yards. Although the Necks outplayed the Eagles statistically, the final score was 19-12. This was a rather good season for Coach **Ed Derrich** in his first year as head coach of the Roughnecks. We heartily congratulate him.

Throughout the entire season, the girls made numerous personal sacrifices for each other. It was a new program this year with a new staff, and volleyball was the first sport of this new program. It was a testing ground, a foundation upon which the rest of the girl's athletic program would be built, so we had to be the strongest, to be the foundation. I believe that no other group of girls in this school could have built a more solid foundation for our athletic program. The success of our season was the result of positive input and invaluable knowledge contributed by Coach Glenda Barnett. The highlight of the season was a 2nd place trophy in the Boling tournament and a 3rd place trophy in the El Campo tournament. These were the first trophies brought home to C.H.S. in volleyball in many years.

All three girls basketball teams had their most successful seasons in comparison with those of recent years. The freshman team was coached by Glenda Barnett; the junior varsity team was coached by Jan Durham and the varsity team was coached by Dennis Higgs. Although few in number, they were of a strong will as a group; dedicated to improving their skills and their knowledge of the game. The end result was a well-deserved sense of pride and a considerable contribution to the overall girls athletic program at Columbia High School.

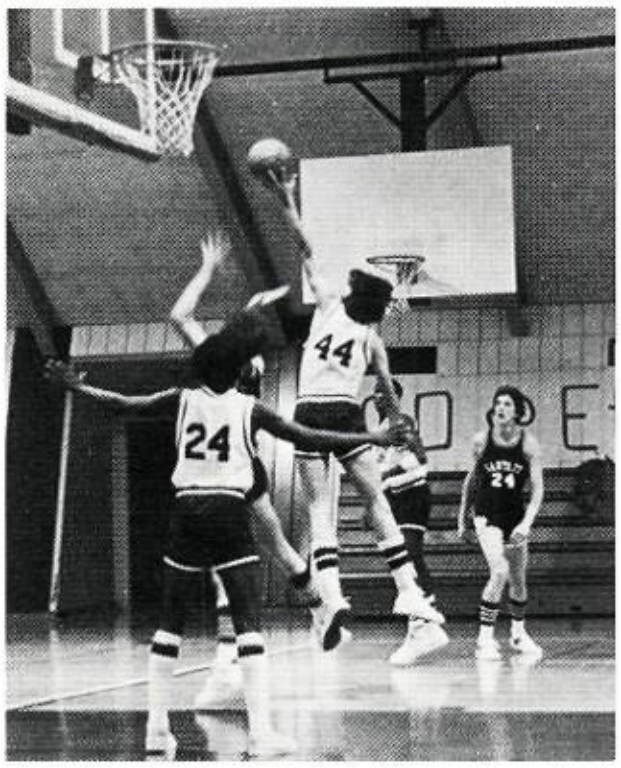
BASKETBALL



This year our basketball season at Columbia High was a successful one, because I felt that we accomplished a lot as far as team play. When I decided to take this job, I knew it wasn't going to be easy. The season speaks for itself (8-23). Attitudes from the kids were good. They held their composure and pride pretty well during the season. The last game of the season showed this pride. They didn't have anything to gain. They were only playing on pride, against Willowridge. We were down in the fourth quarter and they kept playing and won the game with 2 seconds left in the game. We needed this win and that type of effort to carry on into the next season. I'm looking for a better season next year. We were young and inexperienced, but hopefully it will be a better 1981-1982 season.

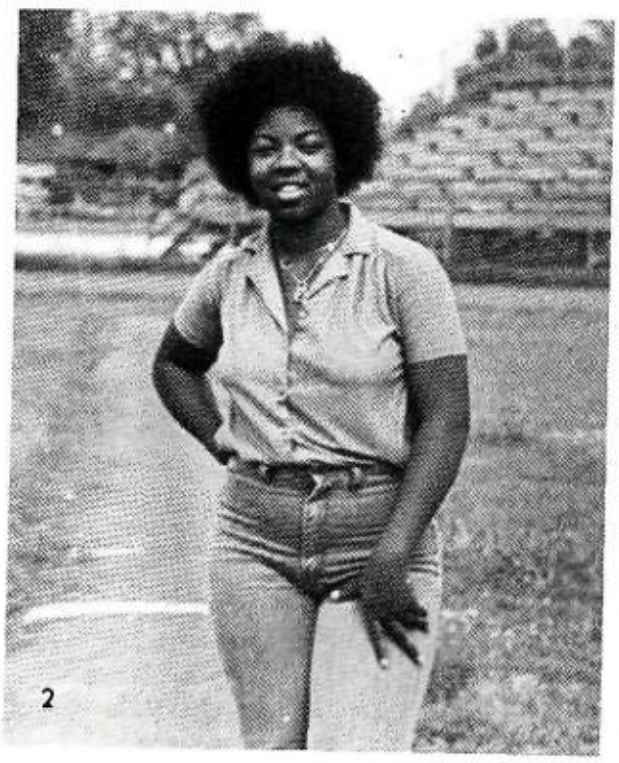
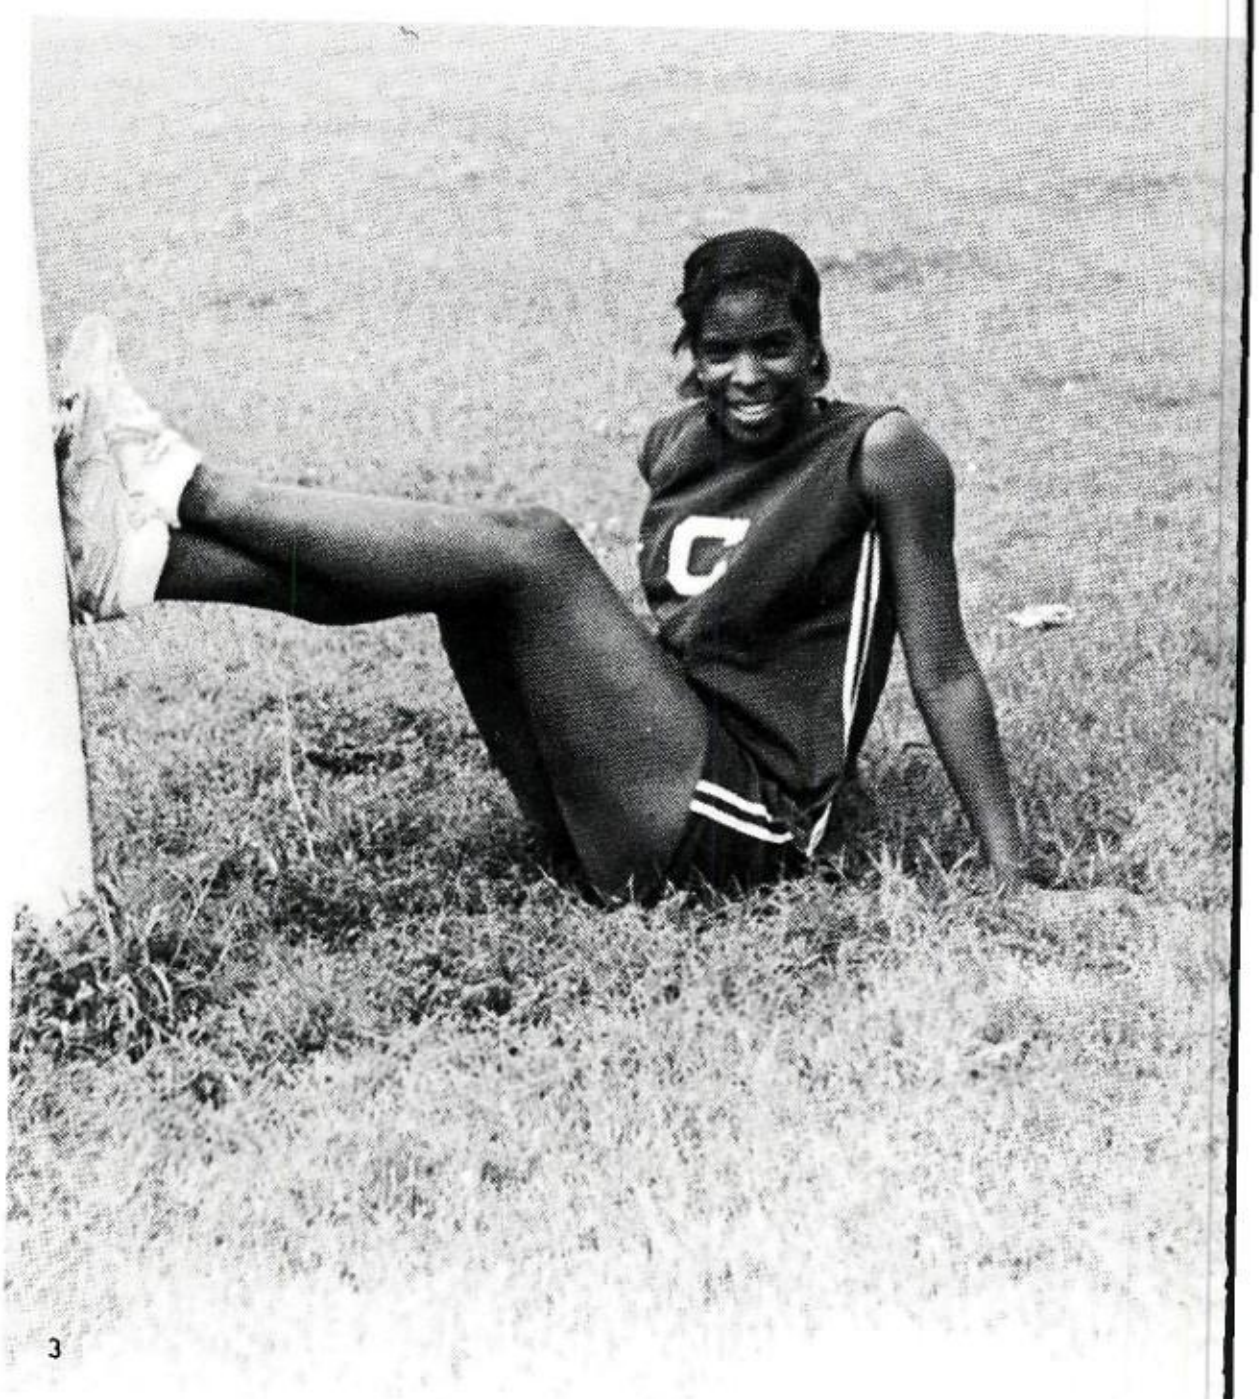
4. Two miler, Carolyn Miller
5. Regional Qualifier, Thelma Tims, Triple Jump 35′5½″.





1. Exchange of baton in action, Shanna Mack hands off to Vanessa Tims in the 800 meter relay.
2. Janice Williams, manager.
3. Regional Qualifier, Thelma Tims, at rest.

The C.H.S. girls track team had an overall successful season. The girls were hard working and dedicated to their workouts and competition. Although injuries and conflicts arose, the athletes always kept their smiles and muscles active. I believe, this contributed to an overall successful season.

Although each girl did her share, there was one outstanding participant, Thelma Tims. Thelma competed at the Regionals in the Triple Jump in which she placed fifth after bettering her jump a foot.

The girls ended their season ranked sixth in a district of ten participating schools. I don't believe this sixth place nearly awarded this group for the time, devotion, and body aches they they spared. Also, the character each athlete displayed throughout the season was rewarding both to their team and to C.H.S.

Having problems? Don't worry, just slip into the guidance office for sessions with Mrs. Joan Anderson. Our very pretty counselor has a special talent for listening to us and helping us to listen to ourselves.

Mrs. Anderson began teaching at C.H.S. six years ago as a Social Studies teacher. While working on her Masters degree at U. of H. at Clear Lake, Mrs. Anderson began teaching Psychology and Sociology classes. She has been a class sponsor, assistant drama sponsor, and has been a patient friend to the Class of "81. Mrs. Anderson is an avid jogger. Jogging is a family affair in the Anderson household. Husband, Craig, jogs 40 to 50 miles a week, and daughter Stacey, 10, also jogs with her Mom and Dad.

Mrs. Anderson says as a young person she was shy and unsure of herself. This past makes her job as a counselor especially rewarding. She likes the openness of C.H.S. to new ideas and the encouragement you receive for sincere effort. Always smiling and ever helpful, Mrs. Anderson is a friend we appreciate.

If you asked a C.H.S. student to name a teacher who is kind and straightforward, caring and open, the likely person would be Mrs. Wilma Ogilvie. Mrs. Ogilvie has taught for twelve years. She is responsible for bringing a Calculus Course to our college bound students and has inspired many of us with her intelligence. She has sponsored N.H.S., classes, and is presently bearing the burden as co-sponsor of Student Council.

For relaxation, Mrs. Ogilvie enjoys cooking, and macrame, but her real pleasure is found in spending quiet summer days on the back porch reading. Reflecting on the past, Mrs. Ogilvie recalls an adventurous year spent with her family in Belgium. Mrs. Ogilvie has also been a Red Cross swimming instructor. Do you suppose she would pull Mrs. Schaefer out of deep water? Thank you, Mrs. Ogilvie, for being our teacher and friend.

Mary Brand has taught at C.H.S. for seven years. A concerned, responsive teacher, Mary receives fulfillment from interesting class discussions. Mrs. Brand attempts to stimulate students' minds, helping them develop their own opinions regarding history and philosophy. Mary Brand believes interested students making an attempt to gain knowledge makes her teaching career worthwhile. Outside school, Mrs. Brand's hobbies are sewing, home decorating, and reading. Married to Coach Charlie Brand, Mary doubles as a housewife and mother, a busy schedule for anyone! Mary's energies in 1980-1981 were spread over her home, classes, and as a sponsor of the Junior Class. Mary supervised money making projects and had the awesome task of organizing the Prom. Also included in this busy schedule was a trip to Washington, D.C. as sponsor of Close Up.

Mrs. Phyllis Walther has been a teacher at Columbia High School for five years. She teaches Chemistry I and II, has sponsored the National Honor Society, the Science Club, and is currently sponsoring the Senior Class of 1981. She likes gardening and needlework. When asked what advice she has for students, Mrs. Walther responded, "Students are too preoccupied with having jobs and making money. They should think seriously of the role a good education will play in their future. A student that is serious about his goals strives for accomplishments. He is a creative thinker and an asset to his school." One of the aspects of C.H.S that Mrs. Walther finds unique is our administrative staff. "The administrators are willing to allow teachers a chance to develop their own ideas," she said, "and then put them to work in a classroom situation."

Mrs. Joyce Schaefer has been an English teacher for the past ten years. She has sponsored American Field Service, National Honor Society, and is currently sponsoring the sophomore class. Her students have always loved her, but never for conventional reasons. She's humorous, concerned and sometimes stinging. 'Tis sheer folly to attempt to outwit her. Students do not occupy all of Mrs. Schaefer's time. She likes to read and write poetry, predicting she may be this century's Emily Dickinson. She feels it is her duty to keep tabs on the current escapades of Wilma Ogilvie. Concerning progress for C.H.S. students, Mrs. Schaefer had some sage advice. "My first priority would be to change attitudes," she said, "I believe all of us are inclined to concentrate on what we do not accomplish in our school rather than on what we do accomplish." She feels that our achievements should be looked upon with pride. Mrs. Schaefer would like to teach her students to "think" and to appreciate their cultural and literary heritage. As an educator Mrs. Schaefer is "tops." She says each year is better than the last. Can it keep getting better and better? With Mrs. Shaefer you never know.

Mrs. Ruthann Wrenn has been a teacher at Columbia High School for the past three years. Her hobbies are fishing, sports, creative handicrafts, and working with animals. When asked what she does for fun, Mrs. Wrenn replied, "I like to spend time with people I love, do things on the spur of the moment, and most of all, to *give hard tests.*" Mrs. Wrenn likes students that are concerned and care about school, and those that are involved, friendly, and *slightly* mischievous.

"Students today are different from when I attended high school," stated Mrs. Wrenn, "They are less motivated to excell. Everyone now is satisfied with being average. We were very competitive and highly motivated to be the best we could be."

"The unique thing about C.H.S. is that the students are friendly and easy to get close to. The small community lends to a type of camaraderie.

When asked how she pictures herself in the year 2000, Mrs. Wrenn replied, "I'll probably still be teaching Fundamentals of Math and sponsoring cheerleaders — from a wheelchair!"

For the past two years at C.H.S. we have had an extremely crazy art instructor (though there are rumored to be more.) Unfortunately Mrs. Joy Sechelski resigned this year when her husband elected to move his business. Some of Mrs. Sechelski's interests included, fishing, swimming, water skiing and photography. We asked Mrs. Sechelski what would she have done to change the students of C.H.S. She replied, "I would try to make students more aware of the importance of what they learn at C.H.S. and that these will be their most memorable years of their lives. The most unique thing about C.H.S. is the friendly atmosphere." Students today are really different than when I went to school, most have their own cars. When I was young we had horses. What kind of student was Mrs. Sechelski? "I was active in school and enjoyed making good grades. I wasn't a leader type, I was a doer. I was also shy." We would like to wish Mrs. Sechelski in her new career as mother.

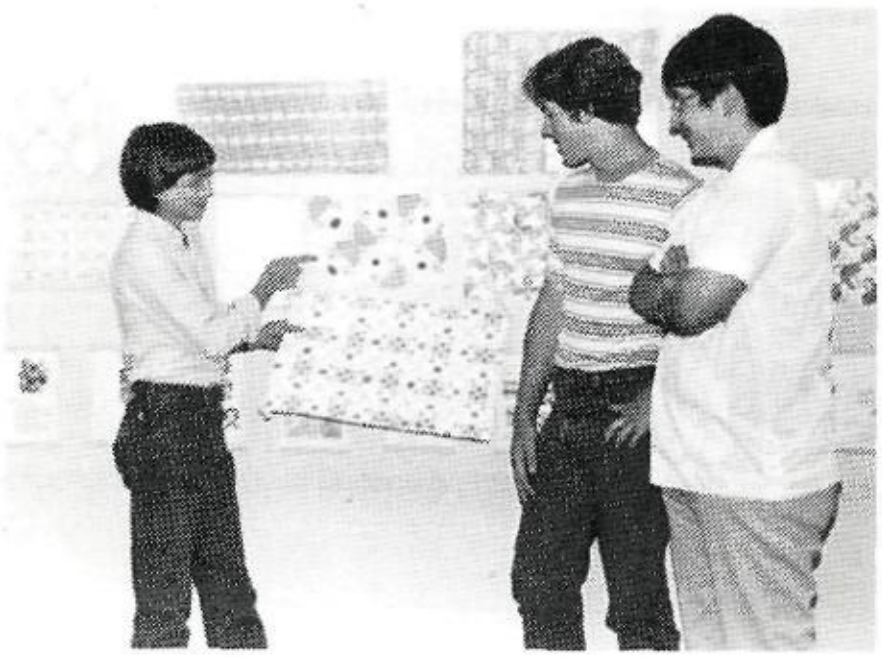
Hard Work Adds Up

To enrich the Honors Geometry course, the class left their textbook for a three week study of symmetry. They learned to work with line and point symmetry. Examples of Escher's tessallations were studied for their symmetry as well as for their line and curve figurations. Each student in the class designed and drew their own tessallation, a repeating design which fits together and covers the entire area. Some really excellent examples resulted: a beautiful flag-draped eagle, a funny man eating a nut whose features had point symmetry, and two clowns with different points of symmetry. This is the first honors geometry class offered in our school. Other fun enrichment studies included folding polyhedra to decorate the room.

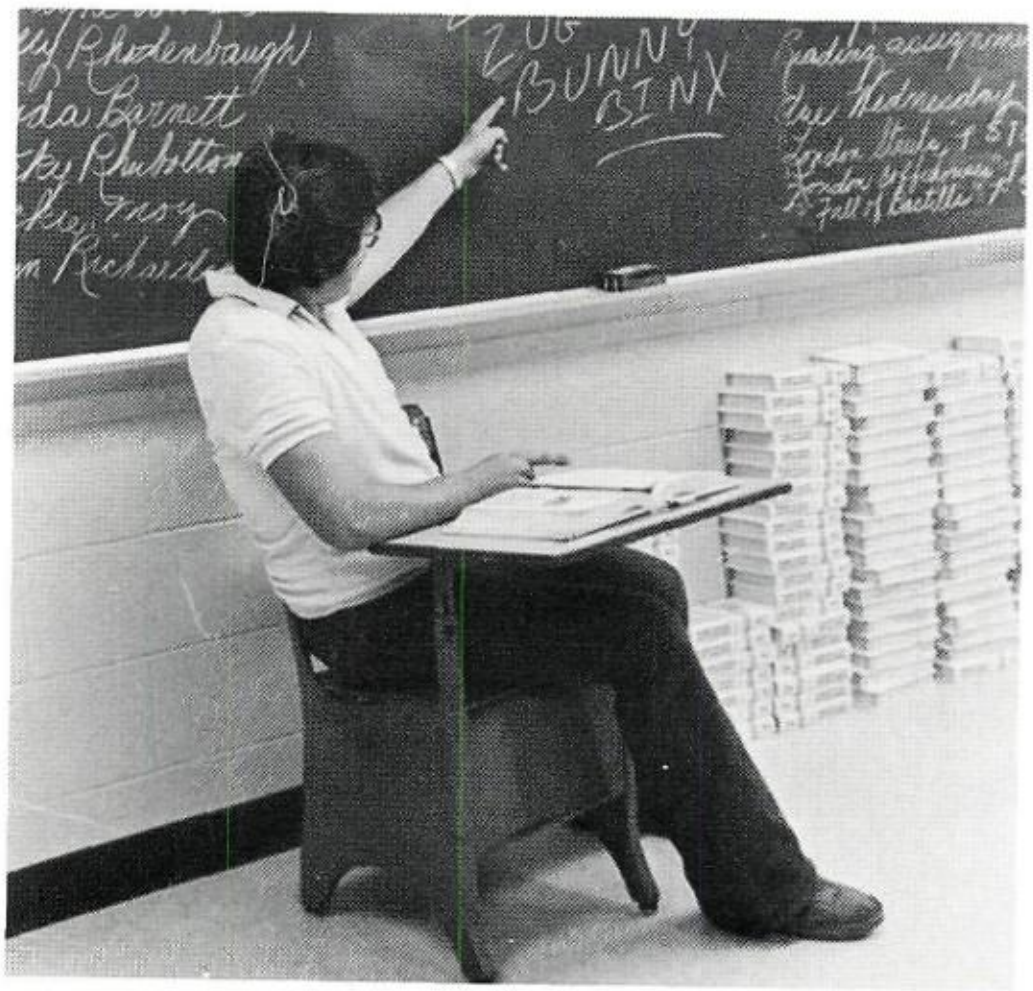


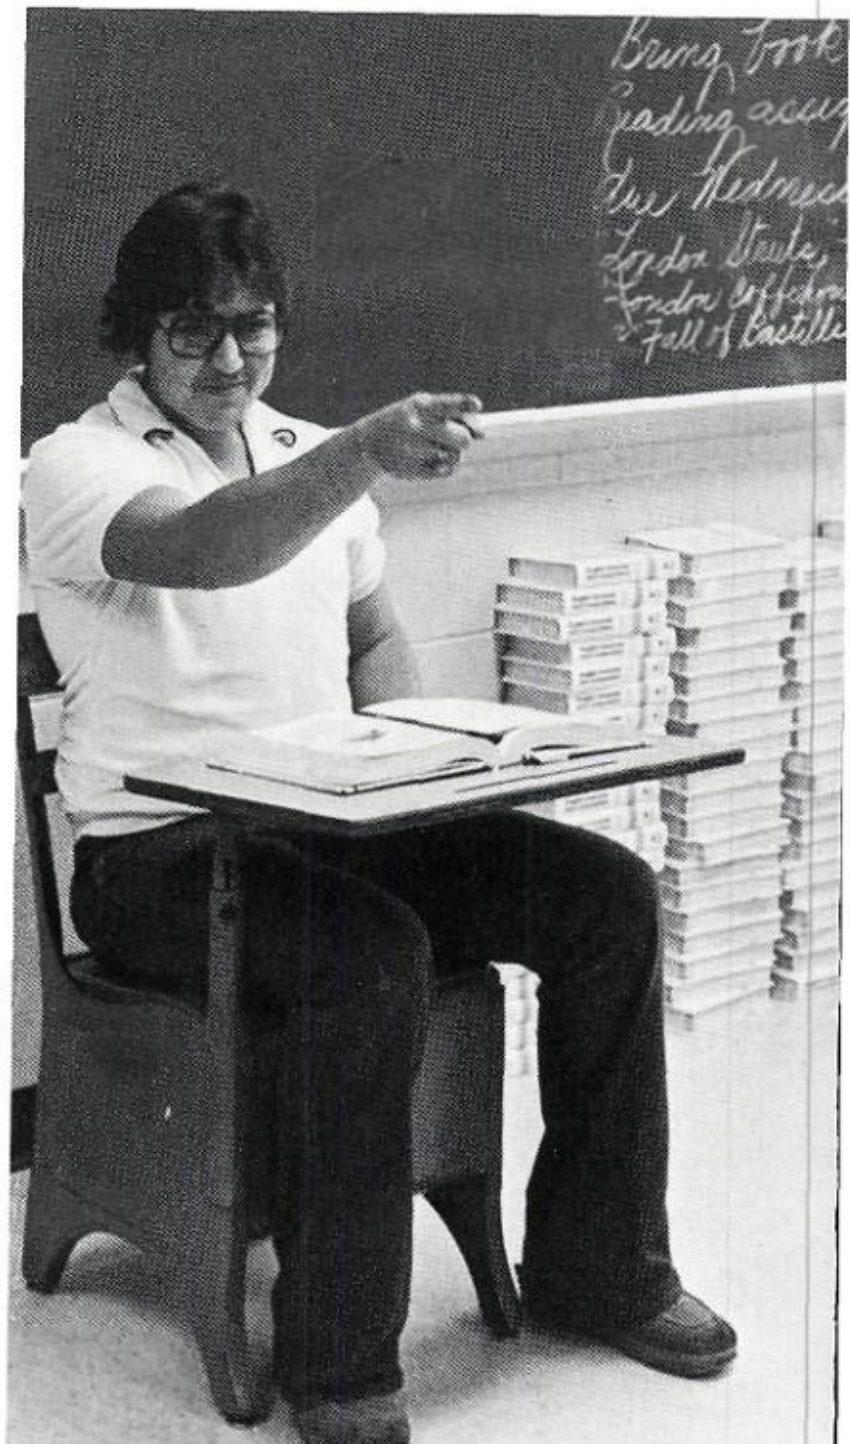
A New Brand of Algebra

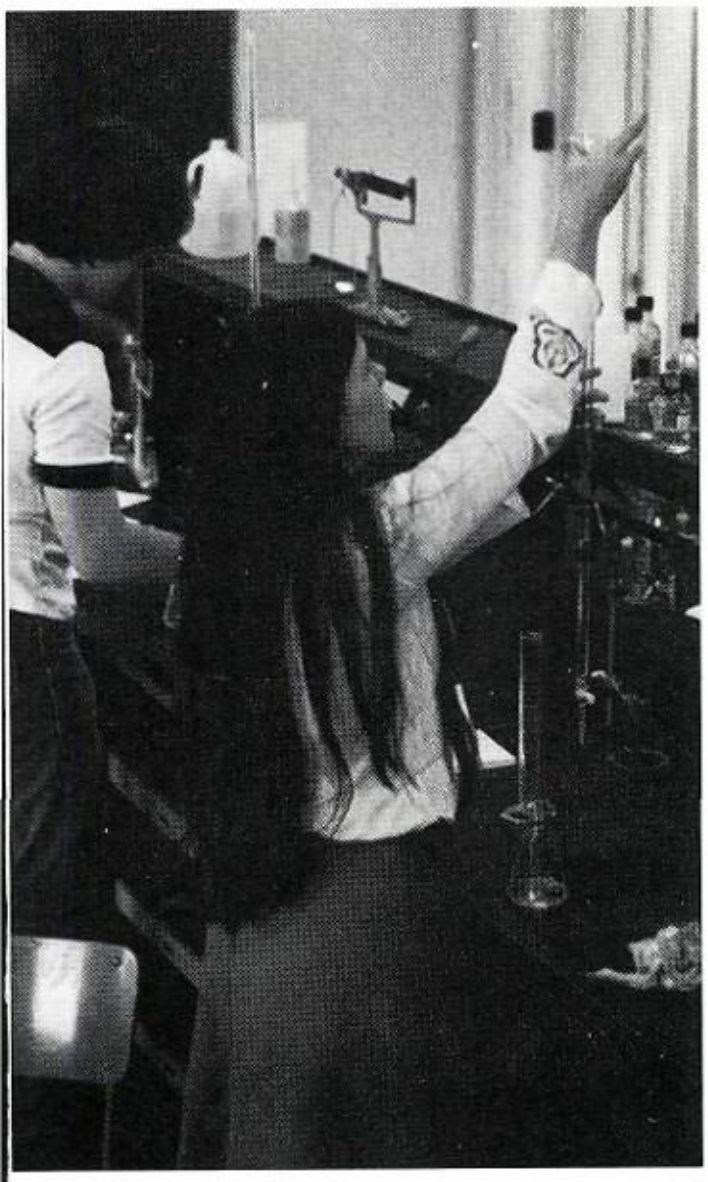
Coach Brand's Algebra IV students studied a unit of **Conics and Quadratics Systems** which served as an introduction to Analytic Geometry.

Are Students Taking Over?

Seniors become teachers of literature in English IV. Each student has an opportunity to take either a zero or to prepare and present a work by one of the great poets. Some students do an outstanding job; others are dull. Still, the experience gives students practice in oral presentations, and Mrs. Schaefer can rest with the material in such excellent hands.







C.H.S. Super Scientists

These students in Mrs. Walther's class are using acid-based titration as a method for determining the percent of acid in vinegar; and as a method for analyzing the acid neutralizing ability of Rolaids.

Child Care

In the C.H.S. Child Care Program, students work as aides in the kindergarten classrooms. They plan and construct classrooms activities, play with the children, supervise them on the playground, and accompany them on field trips to the zoo, museum, and other enriching activities. It is a good experience for all ages.

Rotary

Each year a faculty committee selects the seniors that they feel are the most representative of excellence in all areas of high school activities. A group of three Junior Rotarians attend the weekly Rotary dinner for three consecutive weeks as honored guests. Through association with Rotary, students perceive the part all facets of business play in service to the community.

Editor-in-Chief

The **1981 Gusher** is different than ever before with color, cutouts, and some crazy new ideas. It was a fun project to work on, and I do mean work. At times it was back-breaking. There was no eating, sleeping, or even going home until the work was done. We, the staff, feel we have worked very hard and done our best to produce a yearbook that will keep your memories in the best way and one that you will enjoy in years to come. We are proud to be the parents of it.

We greatly appreciate the patience and understanding of Mr. M. P. Stevens for allowing the **Gusher** staff to flow and move fairly freely through the halls when needed. We would like to thank the faculty for repeatedly allowing students out of class to have their pictures made and also the students for repeatedly having their pictures made. The staff also needs to be thanked for working and trying so hard, including our fearless leader, Mrs. Betsy Walker. Without all of these people, who knows what could have happened to the **1981 Gusher.** Also thanks to you for supporting us.

To one of the most stunningly attractive women I have ~~[illegible]~~ had the good fortune to meet. Your quiet smile and relaxed elegance has always been an endearing virtue for you. Try to stick with all that you attempt. You are quite a ~~[illegible]~~ unique young lady. Gil Warick '52'

Penny,
You're a super great
girl who has made
our class the greatest
I wish only the best
things in life for
you and that through
God you could reach
every goal in the near
future that you
desire. I always
missed seeing your
and it's going to be
hard to go a day
without seeing your
smile. Good luck

Penny,

to a girl I really have enjoyed growing up with. I wish the best of luck to you in everything you do. You got everything going for you, looks - good personality - cute figure HA, HA. Well, it don't seem like we've even been serious, it seems like yesterday we were riding Bubba-(bike) and motorcycle. And screaming, driving our mothers crazy. Well, we're big girls now, and we're driving them even more crazier.
